ENTHUSIASM IS AROUSED HERE

Great Preparations Being Made for
Reception of James E. Watson
Monday Afternoon

NEARBY CITIES INTERESTED

Biggest Rally of Campaign Thus
Far Will be District Rally of
Hughes Hustlers Tonight

The announcement yesterday that James E. Watson would speak here Monday afternoon was received with enthusiasm by republicans all over the county. It was at first believed that Mr. Watson would not get to speak in his home county this campaign, but he asked for the chance and will come here Monday afternoon from Newcastle and will be taken back to Newcastle late that afternoon for a night meeting.

An immense automobile parade will precede the meeting, in which every republican in the county with an automobile is urged to join. A committee will meet Mr. Watson at the edge of the city and will escort him into Rushville. The parade will then form and travel over the city, ending up at the coliseum. The committee to meet the Rushville man is composed of the following: Walter Hubbard, Charles Offutt, Dr. F. M. Sparks, John D. Stewart, John Carr, Otto Bussard, Joe Clark, Donald Alexander, Dr. J. C. Shauck, Eli Martin and Ed N. Hill.

It would have been the first campaign in many years that Mr. Watson did not get to speak in Rush county. The meeting will be held at the coliseum in the city park and from all indications it will be the largest meeting of the campaign. Mr. Watson's friends and neighbors are anxious to hear him and he did not like the idea of passing up Rushville.

Just as soon as the word was received that Mr. Watson would speak here every precinct committeeman in the county and every republican paper in the county were notified as the meeting was arranged in short notice and these means were employed in order to get the word to the people. Republican headquarters yesterday afternoon put in a busy afternoon arranging for the meeting insuring attendance from outlying advertised in surrounding cities, ing. The coming of Watson is beside the county.

Mr. Watson will speak at Muncie Saturday night. This is the night originally reserved for Rushville, but the local committee readily consented for him to speak at Muncie. He will address a noon factory meeting in Newcastle Monday and will then be brought here for the afternoon meeting. Following the meeting here he will again be taken to Newcastle where a great rally will be held that night.

A great crowd is expected to hear J. O. Batchelor, mayor of Marion, tonight at the Graham Annex auditorium. Young republicans from all over the district will gather here for this meeting which is under the auspices of the Hughes Hustlers. A parade which will be participated in by all republicans will precede the speaking. The parade promises to be the best political demonstration of the campaign thus far.

The parade will form on the east and south sides of the court house and will move promptly at seven-thirty o'clock. Every republican owner of an automobile is urged to participate. There will be plenty of red fire. A novel entertainment has been arranged before the speaking. The Misses Vera Mullen and Iris Robinson of Winchester will sing. Local people who heard them at Richmond a week ago are loud in their praise for the young women.

INJURED GATHERING CORN

Willie Scott of Near New Salem is
Stabbed in Eye by Stalk.

Willie Scott, living a few miles southeast of New Salem, had a narrow escape from losing the sight of one eye today when a stalk of corn tore the eyelid in two and pierced the eyeball, tearing out a small piece of it. It barely missed the sight and for that reason, attending physicians believe his sight will be saved. The accident occurred when Mr. Scott was gathering corn and in stooping over to pick up an ear of corn, the stalk ran into the eye.

CROWDED OFF ROAD BY BIG AUTO TRUCK

James Dugan is Seriously Injured
When Horse Turns Suddenly
and Upsets Milk Wagon

12 STITCHES TAKEN IN WOUND

James Dugan, driver of a milk wagon, was seriously injured yesterday afternoon when an auto truck crowded him off the road as he was coming down Cavitt's hill, causing the wagon to upset. Dugan was cut about the head and face by flying glass from one of the windows of the wagon. A total of twelve stitches were taken to close the wounds.

The truck was a large moving van and Dugan claims that he was crowded to the side of the road and that the horse started suddenly causing the wagon to turn over. He lost about forty gallons of cream in the accident. The wagon was badly smashed in the accident. Dugan was brought to this city by Will Jay, who passed the scene of the accident shortly after it occurred.

SUPPLY OF THE NEW DIMES ARRIVE HERE

Latest Issue Received by Peoples
National Bank is Radically
Different From Old One

DESCRIPTION OF THE COIN

The Peoples National bank has received a supply of the new dimes just issued by the government. The latest ten-cent pieces are radically different in design from the old coins. On one side are the words "Liberty" and "In God we Trust," and the date. The initials of the designer are also placed on this side. The small initials are arranged in the monogram and with the aid of a glass the two letters "A" and "W" can be plainly seen.

On the other side of the new coin there is a reproduction of a fasces and the words "United States of America" and at the lower part in very small letters, "E. Pluribus Unum." The dimes are very attractive and are so different from the old coins that the difference is noticed at once. The bank was busy today putting the new coins in circulation.

JAMES B. UNTHANK DIES

Prominent Richmond Quaker Expires
of Blood Poisoning Today.

Richmond, Ind., Nov. 2.—James B. Unthank, age 67 years, a prominent Quaker, died here today of blood poisoning after a short illness. He was born in Wayne county and attended Earlham college. For 20 years he was president of Wilmington college, retiring seven years ago to his home in Richmond.

CANDIDATES OF G. O. P. PRAISED

S. D. Miller Asks Glenwood Audience
to Imagine Tom Taggart in
Ben Harrison's Place

SHOWS GOODRICH'S WORTH

Also Deals With "He Kept Us Out
of War" and the Adamson
Railway Wage Law

"I have a boy sleeping under a blanket on the Rio Grande tonight. I would rather have him brought back to me on a stretcher, in a war with honor, than a peace with dishonor."

In this fashion Samuel D. Miller, Indianapolis attorney, son of William H. Miller, former United States attorney general, paid his respects to the democratic campaign slogan, "He kept us out of war," at an enthusiastic republican meeting in Glenwood last night. Osborne's hall was almost filled with people who often interrupted the speaker with applause.

Chauncey Duncan presided and several candidates, both from Fayette and Rush counties, spoke briefly. The Jim Watson glee club and a quartet from Fayette county both sang and were called back repeatedly.

Mr. Miller referred to the wabbling foreign policy of the present administration and discussed the need of a protective tariff after the war. As an example of the unfairness of the Adamson law, he cited the figures, obtained from the auditor of the road, that with 1,322 men employed on the C. I. & W. the law causes an annual increase of wages of \$55,200, which benefits only 96 of the employees. He also called attention to the fact that the president expected to make up the loss to the railroads, through the increase in wages, by allowing them to increase freight rates.

Of more interest, perhaps, was his reference to the three leading candidates on the state ticket and his praise of them. His eloquent appeal for James E. Watson was loudly applauded. He referred to Watson's opponent, Tom Taggart, as "the pleasant peddler of pluto."

"For years I have known your candidate for congress, Daniel W. Comstock," said Mr. Miller. "He is ripe of wisdom, years and experience. He is fit—and when I say fit that is high praise—fit to represent this district in congress."

"It would be in a way presumptuous for me to undertake to talk to you about Jim Watson, because it would be a good deal as if I were to go into your own households and begin to extol the virtues of your own children. You all know him down here, and it goes without saying that you love him, and I know you will all do what you can to see that he is elected to the United States Senate this fall."

"He has it pretty easy in a way, because of his adversary. You all know what Tom Taggart is and has been politically and what he stands for; and you all know that if Tom Taggart had been a republican, no one in the world would ever have dreamed of suggesting that he should become a candidate for the United States Senate. Think of Senator Daniel Webster and then think, if you can, of Thomas Taggart in the role of United States senator. Think of Senator Benjamin Harrison and then, if you can, think of Tom Taggart, rattling around in his shoes. Think of Senator McDonald, a staunch Democrat, of Senator Voorhees, a staunch Democrat, and Senator Turpie, another staunch Democrat, and then try to conceive of the pleasant peddler of pluto attempting to rise to

COAL PRICE IS STILL GOING UP

Some Grades Can Not Even be Sup-
plied and Others are Almost
50 Per Cent Higher

ANTHRACITE IS NOW \$9 A TON

Shortage of Cars is Blamed for
Threatened Famine—Much
Suffering May Result

Unless the threatened coal famine is averted, much suffering will be caused in Rushville when severe cold weather comes, because the price of coal has now almost soared to prohibitive prices.

Local dealers cannot supply. Pocahontas, a grade much used here simply because they do not have it and can not get it. One dealer reported a car load on the way, but said he had no assurance when it would arrive. Pocahontas lump, which last winter sold for \$4.50 a ton, would probably bring \$7 here now if it were to be had, but dealers will not give you any quotation on coal they do not have in stock because jobbers are charging the current price on the day the coal is shipped.

The very commonest grades of coal, including that from Indiana mines, cost the dealer \$5.40 a ton laid down in Rushville. Only a few weeks ago Pocahontas lump could be purchased for \$5.00 a ton.

The price of anthracite is keeping pace with soft coal. Quotations on this kind of coal today was \$9.00 a ton, with the supply very limited. One dealer had a little in the bins, but it was all sold. Anthracite was selling at \$8.25 a few days ago.

It is generally agreed that the high prices are due to the shortage in cars, which makes it impossible to move the coal. The great demand for coal, with so many blast furnaces and munition factories running, also contributes to the short supply, it is stated by some dealers. The general strike of Oklahoma miners yesterday added to the apprehension felt about the coal market.

Coal dealers would be considerably relieved if they knew what the future held in store. They do not like to load up at the present price—and they couldn't get the coal if they did order it—but they would like to buy all they can if prices are going higher still.

In the larger cities every effort is being made to conserve the supply and the same economy should be practiced in Rushville, it is advocated, because suffering would be as great proportionately in Rushville, in case of a cold wave, as in a large city.

TURN DOWN PROPOSITION

Indiana Federation of Women's
Clubs Will Meet Annually

(By United Press.)

Indianapolis, Ind., Nov. 2.—The Indiana Federation of Women's clubs today turned down the proposition of holding the conventions biennially instead of annually as at present. The report favoring holding annual meetings was adopted after members of small clubs objected to making a change.

The convention also adopted a resolution favoring the nomination of the director in the national organization from Indiana at the convention.

Huntington, Ind., Nov. 2.—Judge Cook in circuit court here today ordered County Auditor Eviston to enter the name of Dr. Thomas B. Terhune on the registration books. Dr. Terhune had registered in the wrong precinct.

DIDN'T HELP LIFE BOATS

German Submarine Sinking Marina
Followed Them Half an Hour.

(By United Press.)

London, Nov. 2.—The submarine that sunk the British steamer Marina with the probable loss of six American lives followed the ship's boats for half an hour after the Marina went down, but made no offer to assist them, survivors reported today.

Dispatches from Queenstown today said the missing members of the Marina's crew have been given up as lost. Practically all patrol boats that might have picked them up have reported.

INTERURBAN HITS SCHOOL HACK TODAY

Three Girls Probably Fatally Hurt
in Crossing Accident at Como,
in Jay County

DRIVER SERIOUSLY INJURED

(By United Press.)

Muncie, Ind., Nov. 2.—Three young school girls will probably die and Peter Knott, driver of a school hack and 17 other school children were less seriously injured when an interurban car crashed into a school hack at Como, Jay county, today.

The three girls probably fatally hurt are: Margaret Gaunt, Mabel Wagner and Goldie Stephens.

Knott is so seriously injured that authorities have been unable to get his statement. According to stories told by some of the children, Knott had stopped the hack a short distance from the traction line, but when he approached the tracks he failed to stop again. It is said the car whistled but it is believed Knott did not hear the warning. The car crashed into the back end of the school hack. The children sitting in front of the wagon were seriously injured, but were hurled to each side of the road. Knott was knocked from the drivers seat and picked up unconscious several feet away.

HUGHES CONFIDENT OF OHIO AND INDIANA

Says Receptions Indicate Deep In-
terest of People in Essential
Conditions of Prosperity

SATISFIED AT G. O. P. REUNION

By PERRY ARNOLD
(U. P. Staff Correspondent.)

Batavia, N. Y., Nov. 2.—Republican Nominee Hughes today said he was entirely confident of victory in the debatable states of Ohio and Indiana. Speaking before an enthusiastic audience here, he said:

"I have just returned from a trip through Ohio and Indiana with a profound sense of gratification and entire confidence with respect to the result in both states. In both Indiana and Ohio it is not exaggerating to say that I had receptions which perhaps exceeded those accorded to any other presidential candidate."

"That was, of course, not a tribute to me personally but it was an indication of the deep interest that the people are taking in the essential conditions of their prosperity and their satisfaction that there is a great reunited republican party ready for service at this critical time."

The Pastor's Aid society of the Main Street Christian church will have a penny supper and apron sale in the basement of the church, on Friday evening, beginning at five o'clock.

GECKLER A LIFE LONG DEMOCRAT

Man Who Addressed Carthage Dem-
ocratic Meeting Last Night
Never Was a Republican

ONCE CLERK OF INDIANAPOLIS

Posing as Former Progressive, Told
Why he "Didn't Come Back
to Republican Party"

John F. Geckler of Indianapolis, a life-long democrat, who claims to have been a progressive in 1912, addressed a democratic meeting in Carthage last night. Geckler attracted a large crowd because he had been advertised as a progressive who refused to go back to the republican party.

Geckler never was a republican and has long been identified with the democrat machine in Marion county. In fact, he served one term as city clerk of the City of Indianapolis. Geckler told his audience last night his reasons for not coming back to the republican party when, as a matter of fact, he never was a republican.

Geckler is billed to speak at Milroy tonight and no doubt will tell the same story and deliver the same speech there. The meeting at Carthage attracted a crowd that filled the hall, and according to local democrats that attended the meeting, it was one of the best political meetings of the campaign.

The announcement that Geckler, a former progressive, would speak was used with great force. It is pointed out that the democratic organization in Rush county is almost desperate when it goes to extreme measures like this. The democrats are making a great bid for the progressive vote, evidently seeing that they are the "meal" ticket of this party.

Geckler in his Carthage address is reported to have severely criticized the republican party and gave his reason for not "going back" to this party. If he ever was a republican the organization in Marion county has been badly fooled all of these years as he was considered a staunch democrat and his record as an office holder under a democratic administration indicates this.

Democrats from this city who attended the Carthage meeting stated that Geckler was not an orator but simply gave a straight, heart-to-heart talk along business lines and pointed out the difference between the democratic party and the republican party and because of these differences declared that he chose the democratic party. The progressives of Ripley township and in fact all of Rush county won't be fooled by these kind of speakers.

ARE KILLED IN COLD BLOOD BY VILLISTAS

(By United Press.)

El Paso, Texas, Nov. 2.—Twenty-eight Mexican government soldiers, forming the escort to a train on the Mexican Central railway line were butchered in cold blood, 400 passengers were lined up and robbed and a German subject beaten senseless by 200 Villista bandits at Laguna last Monday when the railway line was cut by the Villistas.

Official announcement to this effect was made here today by the Mexican consul.

The town of Laguna is about 150 miles straight south of the American border. An official bulletin giving meagre details of the butchering reached the border when the wires were restored today.

SAGE TEA KEEPS YOUR HAIR DARK

When Mixed with Sulphur It Brings Back Its Beautiful Lustre at Once.

Gray hair, however handsome, denotes advancing age. We all know the advantages of a youthful appearance. Your hair is your charm. It makes or mars the face. When it fades, turns gray and looks streaked, just a few applications of Sage Tea and Sulphur enhances its appearance a hundred-fold.

Don't stay gray! Look young! Either prepare the recipe at home or get from any drug store a 50-cent bottle of "Wyeth's Sage and Sulphur Compound," which is merely the old-time recipe improved by the addition of other ingredients. Thousands of folks recommend this ready-to-use preparation because it darkens the hair beautifully, besides, no one can possibly tell, as it darkens so naturally and evenly. You moisten a sponge or soft brush with it, drawing this through the hair, taking one small strand at a time. By morning the gray hair disappears; after another application or two, its natural color is restored and it becomes thick, glossy and lustrous, and you appear years younger.

Wyeth's Sage and Sulphur Compound is a delightful toilet requisite. It is not intended for the cure, mitigation or prevention of disease.

Good Provider is my name! Good Providing won me fame!

I want you to meet my folks because they're well fed, well bred people. Mrs. Good Provider is mighty particular about the foods we eat and I'm glad of it. This is the grocery shop I'm talking about—their prices are right.

Blind to Industrial Defense.

President Wilson's refusal to look ahead and prepare the country industrially is exactly like his refusal at one time to look ahead and prepare for national defense.

Eight months after the European war had begun, and when the American people instinctively were demanding better defenses on land and sea, Mr. Wilson superciliously described the movement as "nervous and excited." "We are well prepared," he said, as if he were addressing little children "Don't be nervous; don't make the mistake of thinking that I have not already thought of these things; we are strong; we have a navy and an army. You are merely mistaken, that is all."

Later, when he had barely escaped war, Mr. Wilson took heed of the strong demand saw that the people would sweep him aside if he did not obey their will, and then he was the chief champion of national defense. He said the country should have the biggest navy in the world—the other extreme that no sane American demands. He declared that no man could tell at what moment war would come. His speeches were as full of alarm as they had been previously

smug and self-satisfied. By the aid of Republicans, who constantly opposed the niggardly attitude of many Democrats in Congress, a program of national defense was enacted which met the demands of the people.

Now Mr. Wilson again plays the schoolmaster and tells the people they are nervous and excited when they demand industrial defense. He tells them they are "seeing things" when they predict severe competition from European cheap labor after the war. He refers to the popular "dumping clause" of the new revenue law and asserts that it is all-sufficient protection to American labor.

President Wilson fails to meet the situation now, as he failed to meet it in regard to national defense until he dared to refuse the mandate of the people. He is not a leader, but a reluctant follower of public opinion. He does not believe the public is right, and when compelled to abandon his own attitude, he does it for the sake of votes, and not because he believes the public is right.

The dumping clause is an absurdity as a means of insuring industrial defense. It does not protect American industry or American labor products of Europe. It merely prevents the sale here of foreign goods at prices cheaper than they bring at home. There are thousands of articles of importance which can be manufactured cheaply and sold cheaply abroad, and if no protective tariff bars them out they will enter the United States in competition with the goods made by well-paid American labor. They can be sold here at the price they bring at home, or even higher, and still be ruinous to American industry.

The dumping clause applies only to goods that foreigners may try to sell to Americans at a price lower than that paid in the foreigner's own country. But the foreigner need not fix his prices so low. Under the Democratic tariff he can raise his prices, and still undersell Americans in America. The tariff law admits two-thirds of all imports free of duty. The foreigner has every advantage over an American in the American market. He has cheap labor, cheap raw material, cheap transportation, and no duty to pay. The American manufacturer in many industries has costly labor, costly raw material, long-distance railroad transportation, and high taxes to pay. The item of labor, however, is the principal factor of cost. Labor receives from 75 to 90 per cent. of the outlay of manufacture in America. In foreign countries labor receives much less.

President Wilson knows these facts, or can know them if he will not close his mind to the truth.

But President Wilson refuses to recognize these facts. He is ashamed apparently, to abandon the free-trade theories which he absorbed as a college student and professor. His theory of business and commerce is shattered by the workaday truth, but he clings to theory, nevertheless. When Mr. Hughes voices the demand of the people for industrial protection and defense, Mr. Wilson dodges the issue and sneeringly suggests that the people are "nervous and excited;" that they don't know what they are talking about; that there is a popgun dumping law already in existence, and that the ignorance of the people concerning this law is evidence that they are ignorant of the whole subject.

There need be no expectation of national industrial defense or protection against foreign cheap-labor competition so long as Mr. Wilson is President.

Mexico.

More than five hundred Americans have been murdered in Mexico. American women by scores have been outraged. American property and investments worth hundreds of millions of dollars has been stolen or destroyed. Thousands of Americans have been run out of Mexico and are now in the United States in a destitute condition.

What has the Wilson administration done about this.

What is it going to do about it?

Ask the Democrats.

When Mr. Hughes assumes office on the fourth of March the country will breathe a sigh of relief to think that it has a president who means what he says and whose word may be depended upon.

their station. Tom Taggart is an amiable gentleman who has made money in many ways, but to think of him permanently in the United States Senate chamber, pervaded as it is with the spirits of great men who have been there, shocks beyond words one's idea of the fitness of things.

"Then there is Jim Watson's running mate. Do you know him? Harry S. New is a four square, manly man, viewed from every angle. Per-

WOMEN SHOULD GET THIS HABIT AS WELL AS MEN

Don't Eat Bite of Breakfast Until You Drink Glass of Hot Water.

Happy, bright, alert—vigorous and vivacious—a good clear skin; a natural, rosy complexion and freedom from illness are assured only by clean healthy blood. If only every woman and likewise every man could realize the wonders of the morning inside bath, what a gratifying change would take place.

Instead of the thousands of sickly, anaemic-looking men, women and girls with pasty or muddy complexions; instead of the multitudes of "nerve wrecks," "rundowns," "brain fags," and pessimists we should see a virile, optimistic throng of rosy-cheeked people everywhere.

An inside bath is had by drinking, each morning before breakfast, a glass of real hot water with a teaspoonful of limestone phosphate in it to wash from the stomach, liver, kidneys and ten yards of bowels the previous day's indigestible waste, sour fermentations and poisons, thus cleansing, sweetening and freshening the entire alimentary canal before putting more food into the stomach.

Those subject to sick headache, biliousness, nasty breath, rheumatics, colds; and particularly those who have a pallid, sallow complexion and who are constipated very often, are urged to obtain a quarter pound of limestone phosphate at the drug store which will cost but a trifle but is sufficient to demonstrate the quick and remarkable change in both health and appearance awaiting those who practice internal sanitation. We must remember that inside cleanliness is more important than outside, because the skin does not absorb impurities to contaminate the blood, while the pores in the thirty feet of bowels do.

haps some of you knew his father, Col. John C. New, a hardy Roman if there ever lived one, a republican through and through and an American always. If you were acquainted with Col. New you know the stock that Harry New comes from. And there is no doubt that blood tells. Harry New is a successful business man, has a wide experience in public affairs, is as honest as honesty and will make a senator of whom we will all be justly proud.

"His adversary is John W. Kern. He is also a genial gentleman and he is also a perpetual and star member of the "In-Wrong" club. By that I mean that he can never get on the right side of any question if he can find the wrong side. When the government of the United States was prosecuting the dynamiters for violations of laws enacted by Congress, John W. Kern was a member of the United States Senate—that is the government of the United States was his employer and he was on its pay roll—but that did not deter him from taking employment on the other side, that is in apposition to the government.

"He must go and Harry New must replace him. See to it that the next senators of the United States from Indiana are Harry S. New and James E. Watson."

Mr. Miller a few years ago was brought into contact with James P. Goodrich, republican candidate for Governor, and discussed Mr. Goodrich's capacity for discharging the duties of the office of Governor at considerable length. He paid a glowing tribute to Mr. Goodrich's executive ability, to his honesty and integrity, his wide grasp of public problems and his keen insight into the character and merit of men with whom he has been identified.

"I desire," said Mr. Miller, "to say some things about Goodrich which I know personally because of my intimate contact and association with him. I want to say some things about James P. Goodrich, our candidate for Governor. No doubt some of you know him. I want to tell you what I know about him.

"In November you are going to hire a man to help make, construe and enforce laws. He is going to be your hired man, hired to do these things for you. If you want a lawyer a man skilled in the law from all angles, James P. Goodrich is the man for you to hire because for years he was a practicing lawyer, 'an equal among the best' in Randolph County and eastern Indiana.

James Mason, candidate for joint representative from Fayette and Franklin counties, spoke and two Fayette county candidates for commissioner were introduced.

Ezekiel Jones, Rush county candidate for sheriff, when introduced, said he would be glad to have all the votes he could get and would take a few from Fayette county if they could be spared.

Will H. McMillin, candidate for

auditor, said he would appreciate the votes of all who saw fit to vote for him and that if elected he would serve all the people to the best of his ability.

George Moore, for clerk, said he was like the minister who stepped using manuscript "because the devil always got into it," but when he got up to speak extemporaneously, not even the devil knew what he was going to say. He said he would appreciate the support of everyone.

Albert Stevens, for prosecutor, said he had not had time to make as thorough a canvass as two years ago, but that he would appreciate support. He declared he had tried to conduct the office conscientiously without fear or favor, as he pledged in the last campaign, and "if I have made mistakes, they have not been of the heart."

Chauncey Duncan spoke in behalf of the other candidates, mentioning especially Lem P. Dobyns, candidate for joint senator, who is unable to cover all the territory.

PROH SPECIAL HERE SATURDAY

Principal Speech Will be Made by J. Frank Hanly, Candidate for the Presidency

EXPECTS TO BE THIRD PARTY

This city is to have as its guests Saturday afternoon J. Frank Hanly and Ira Landrith, Prohibition candidates for President and Vice President of the United States. The Dry standard bearers will come here on a special train on which they have traveled about fifteen thousand miles in the past two months, visiting many states, where the arguments of the Prohibition party have been made to large crowds. Oliver W. Stewart, campaign manager of the Prohibitionists, is also on the train and is one of the speakers of the party.

The Drys are attracting more attention this year than ever before, and there seems to be some ground for the rumors that they will sufficiently grow in strength this year to become the Third party of the nation, a place that was occupied last national election by the Progressives, on Bull Moose, and which prior to that time, was usually conceded to the Socialists. Increase of dry sentiment, and the affiliation of many western progressives with the progressive party is claimed by the Prohibition leaders.

Mr. Hanly, who will be the principal speaker here, is a national character and an orator of note. He was formerly Governor of Indiana, and also legislator and congressman from that state. Ira Landrith, of Tennessee, is also a speaker of note, and enjoys the reputation of having

People Relieved of Suffering Join in Nation-Wide Movement To Express Thanks for Tanlac

Multitudes Tell How They Were Helped by Great Tonic, Appetizer, Invigorant and Revitalizer While Tanlac Holds Attention Supreme

Tanlac, the great new master medicine and tonic for sick, weak, nervous, run-down men and women, is in two million homes today because of its true worth.

Multitudes of men and women claim that Tanlac has given them back health and strength. Eight thousand leading druggists of the United States endorse the remedy for relief from ills of the stomach and digestive system, liver and kidneys. They know that Tanlac is the sensation of their business—the remedy that they are glad to sell because, as they say, "It gives universal satisfaction."

Tanlac's Success Immediate

Two years ago Tanlac was offered to the public in Lexington, Kentucky. Its success in alleviating pains and ills of the stomach and digestive system was instantly proclaimed by those who took the medicine. In nine months a million bottles had been sold in a limited territory. Today, only two years after Tanlac's presentation to the public, more than seven million bottles have been sold.

The endorsement of Tanlac by druggist and user means merit. Back of Tanlac's triumph in the drug store is Tanlac's triumph in the home. It has become a household remedy.

Tanlac has become known as The National Tonic. So great is its merit that a million dollar corporation has been formed to distribute it in Canada. New laboratories are being considered to increase the production, which is already at the amazing rate of over five million bottles a year. It is to be introduced in Hawaii, Porto Rico and Cuba.

Why People Talk About It

At one time one distributor of Tanlac ordered five carloads—72,000 bottles. In the same week four carloads were ordered for New York, two for Pennsylvania, one for Minnesota.

Only true worth of Tanlac as a relief for suffering could explain Tanlac's popularity. When people suffering from indigestion, dyspepsia, belching and bloating from gas, sourness and soreness of the stomach, inactive liver, biliousness, dizziness, kidney troubles, pains in the side and back, headaches, weakness, sleeplessness, nervousness, loss of weight, catarrhal conditions, foul breath and rheumatism are helped by Tanlac they are sure to talk about Tanlac.

Tanlac is well advertised but only its true merit could create its popularity. It is what people who have taken Tanlac say about the medicine that has made it recognized as The Master Medicine.

Proper Relief Is Simple

Advertising may sell one bottle of Tanlac, but all the advertising in the world could not sell a second bottle to the purchaser if the first bottle did not give satisfaction. "It's what the neighbors say about Tanlac that counts." People who have taken Tanlac are so enthusiastic about it that they may tell a dozen or a hundred others about the great new medicine.

The suffering of thousands of people may be simply explained and, if the proper remedy is used, may be simply relieved. Many ills are due to what is known as intestinal toxemia—a self-poisoning due to the fermentation of food in the stomach and intestines because the digestive system fails to do its work properly.

Tanlac, a purely vegetable remedy made from a secret formula, is specially designed to relieve these ills—the common, everyday ills which make millions of men and women miserable; rob them of their strength and vitality, and keep them in distress, discomfort and pain while they should be enjoying the blessings of complete health and vigor which make life worth while.

Evidence Is Strong

Tens and tens of thousands of endorsements of Tanlac prove what Tanlac has done and can do for sufferers. They are evidence that can not be disputed. Tanlac has been endorsed and recommended by leading business men, by lawyers, ministers, farmers, artisans and mechanics, by women in the factory, the farm, the home—by people in every walk of life.

Such evidence proves Tanlac The Master Medicine, and has made Tanlac the National Tonic.

Tanlac is sold in Rushville only at F. E. WOLCOTT'S

SOCIETY

The members of the Emanon Club will be entertained tomorrow afternoon by Mrs. J. V. Young at her home at 109 East Seventh street.

In honor of the birthday of Mr. Scott Hosier, Mrs. Hosier entertained at a prettily appointed dinner last evening Mr. and Mrs. Russel Bearinger and son, Byron, and Mr. and Mrs. Wilbur Wilson, at their home in North Morgan street.

The meeting of the Young Yadies Missionary society of the United Presbyterian church held with Mrs. Hal Pike yesterday afternoon was a social one, with no program or business meeting. A delightfully informal afternoon was spent by the guests who also enjoyed the service of dainty refreshments.

As a compliment to Mrs. Rebecca Conner of Connersville, Mrs. Joe Amos entertained several dinner guests at her country home east of the city today. Covers were laid for Mrs. J. W. Casady, Mrs. F. G. Hackleman, Mrs. Fanny Ayres, Mrs. Eunice Moore, Mrs. Jabez Winship and Mrs. Will Meredith.

The members of the Wednesday Afternoon Club gave a Halloween party Tuesday evening at the home of Mr. and Mrs. Ed Lee for their husbands and families. The fact that all the guests masked made the affair all the more fun. A dainty luncheon was served late in the evening.

Halloween appointments were carried out yesterday afternoon at the home of Mrs. Grant Gregg, when she entertained the members of the Wednesday Afternoon Club. Aside from the decorations of pumpkin faces and autumn leaves, clever Halloween favors were given the guests during the service of the delicious luncheon. Among the fifteen guests were Mrs. Roy Aldridge of Pittsburgh, Penn., and Mrs. George Helm of this city who were guests with the club members. Mrs. A. T. Mahin will be hostess for the next meeting.

The Shakespeare Club opened the year of interesting literary programs with their meeting last evening at the home of William E. Wallace in North Perkins street when the hostesses were the Misses Nelle Baldwin, Letta Denny and Kate Dennis. An intensely interesting review of Arnold Bennett's "Clayhanger" was given by Mrs. Will Coleman. Miss Nora Sleeth and Miss Edith Caldwell gave talks on Arnold Bennett, the man and his work. Dainty refreshments were served by the hostesses.

The program was preparatory to the lecture to be given here November 9th by Prof. Jenkins of Indiana university on "Arnold Bennett." Prof. Jenkins will, as in past years, give a series of lectures before the club. His subject this year will be "Contemporary Novelists."

When Mrs. Bertha Adams and Mrs. Maude Williams entertained the members of the Juanita Club at the home of the former in West Seventh street yesterday afternoon, the home was prettily decorated with chrysanthemums of different colors. A social afternoon was enjoyed by the ladies and a one course luncheon was served. Eighteen members of the club were present. It was decided to have the next meeting in the form of a mask social at the home of Mrs. Ben Goodin in North Perkins street on Wednesday evening, November 15th.

Ways and means of increasing attendance were discussed at the meeting of the officers and teachers of the St. Paul's M. E. Sunday school, held with Ernest Marlatt at his home in West Seventh street last evening, when about twenty were present. A definite campaign for attendance will be started in the near future. The Christmas entertainment for the Sunday School and several other matters of business importance were discussed and decided upon. At the conclusion of the business meeting, conducted by the superintendent, dainty refreshments were served.

A report of the district convention was given by Mrs. Esther McCloud at the meeting of the Woman's Foreign Missionary society of the St. Paul's M. E. church, held with Mrs. J. H. Scholl yesterday afternoon, at her home in North Jackson street. Other numbers on the program included an interesting review of the 2nd chapter in the mission study book, "World Missions and World Peace" by Mrs. W. M. Whitsett, who was leader for the program; devotions conducted by Mrs. R. G. Budd; and a vocal duet by Mrs. Esther McCloud and Mrs. F. H. Wolcott. Delicious refreshments were served to the dozen guests present during the social period.

Halloween decorations of corn stalks, pumpkin faces, and autumn boughs gave the basement of the Christian church a pretty appearance for the entertainment of the C. W. B. M. yesterday afternoon, when the hostesses were the ladies of the November division. The report of the Des Moines convention given in an interesting way by Mrs. J. D. Case was one of the features of the program. Devotions were conducted by Mrs. Laura Keisling; Mrs. Albert Allen read a paper on "The Twenty Republics and Indian Territory;" and Mrs. Austin Frazee reviewed in her paper, "Roman Catholic and Evangelical Influence." A business session, conducted by the president, Mrs. Joe Amos followed the program.

As a surprise to the guests, the hostesses masked before serving the dainty luncheon of pumpkin pie and coffee and appeared in comical garbs of all kinds. There was an excellent attendance at the meeting.

The Holmes Bible class will meet tomorrow afternoon at 2:30 o'clock as usual.

Mrs. Louis Mauzy and Miss Gladys Bebout are pledged to the Psi Iota Xi sorority.

There will be an important meeting of Tri Kappa at the home of Mrs. Jack Knecht tomorrow evening. Every member is urged to be present.

Mrs. C. H. McKee and two daughters, Carrie and Lydia were the dinner guests last evening of Mr. and Mrs. Albert May of near Orange.

Martha Poe Chapter No. 140, O. E. S., will hold a regular meeting Friday evening at 7:30 o'clock at the Masonic Temple. A good attendance is desired.

There will be an important meeting of the Immaculata Sodality in the K. of C. hall this evening when arrangements for the penny supper to be held there November 7th will be made.

Miss Margaret Gray entertained at dinner last evening a party that motored here from Indianapolis. Her guests were the Misses Evangeline Bates, Archela Metcalf, and Henry Dollman, Lewis Schnovel and Herman Hooper.

The guests of Miss Helen Osborn on Tuesday evening had a jolly time at her Halloween party. Pretty decorations suggestive of the season were used and games carrying out the idea of the day were played. Dainty refreshments were served.

Miss Lavonne Quyle and Paul McDaniel are to be married on Saturday evening and a reception will be given in their honor on Sunday afternoon by the parents of the bridegroom, Mr. and Mrs. David McDaniel, at their home in West Third street.

About 14 couples attended the informal dancing party given by the Elks in their hall last evening. It was a pleasant affair and marked the opening of the dancing season for the Elks, who will continue to give informal parties throughout the winter. Mitchell's orchestra furnished good music.

Seventy-five young people attended the social given at the Methodist church of Milroy by the Epworth League on Tuesday evening. The name given "The Goblin Party" was carried out to the last detail in weirdness. The decorations were those suggestive of Halloween and appropriate games entertained the young people. Delicious refreshments were served.

Mrs. George Aultman was hostess to the members of the Grand Club at her home in West First street this afternoon. Bouquets of fragrant fall flowers were through the rooms of the home and in the center of the dining table where the guests were seated to enjoy the elegant two course luncheon. A series of Bridge games preceded this. Mrs. Sarah E. Mull of Indianapolis and Mrs. Sallie Houston of Shelbyville, a sister of Mrs. Aultman, were among the guests. The next meeting will be with Mrs. T. W. Betker.

A delightful Halloween party was given last evening by Miss Zola Bird and Miss Alta Enos at the home of Miss Enos in West Fifth street. A color scheme of orange and black was used in the dining room and leaves, pumpkins, and corn stalks decorated the other rooms. A delicious two course luncheon was served to the guests who included the Misses Edith Downey, Hazel Newkirk, Ethel Pea, Louise Bingaman, Carrie Downey, Ruby Ellerman, Gladys Clevenger, Celia Connelly and Freda Worfield, and Roy Ellerman, George Wolf, and Earl Whitte of Connersville, Clayton Perry, Ray Gallimore, Kenneth Walker, Ray Foster, Fay Wiley, and Harold Johnson.

Connersville Will be Here Tomorrow
Night Confident of Trimming
Rushville Five

OLD RIVALRY STILL EXISTS

The first big basketball game of the season is scheduled for tomorrow night when the Connersville high school team comes here to do battle with the locals. The Connersville team will be accompanied by a large crowd of rooters, coming on a special car. Connersville is confident of winning and the same old rivalry exists as in years past.

A curtain raiser will be played starting at 7:15 o'clock. The big game will start promptly at eight o'clock. The Rushville team is in good condition for the contest. The team has played three preliminary games and the team work has gradually improved. The team will come out in their new uniforms tomorrow night. The largest crowd of the season is expected as these two schools usually play their best game against each other. Ross Smith of Indianapolis will referee the contest.

Amusements

The Gem offers a five reel program tonight. The first picture is the next chapter of the great serial, "Who's Guilty?" The second is "Pathe News No. 73." The third is a comedy entitled "Whiffles Futile Flivver." The last is an educational film entitled "The United States Government in Action," showing the president and his cabinet at work. Tomorrow the feature picture "It Happened in Honolulu" will be shown in which Myrtle Gonzales and Val Paul are featured.

The Mystic offers the three act feature "The Broken Promise" for the first picture tonight. Ann Drew is featured and it is said to be a fine drama. The second is a drama entitled "The Blind Princess and the Poet." Blanche Sweet and Florence LaBadie and an all-star cast are featured. THERE IS NOT A SINGLE, SOLITARY HOUSEWIFE IN RUSHVILLE who would consent to having the fuss and muss of wash-day in her home day after day for 2 solid months.

NO HOUSEWIFE WOULD HAVE a washwoman around for 2 solid months—no housewife would do the job herself—and no husband would let her.

There are 52 washdays in a year—almost 2 solid months of them. What's the difference whether they come all at once or strung out. It's the same job in the end.

NEW CONTRACTS FOR DODGERS

All But Daubert and Coombs Must Sign New Papers if They Play Next Year.

SOME TO BE TURNED LOOSE

Outfield is Destined to Have at Least One New Performer—Hi Myers May Go.

(U. P. Staff Correspondent.)

New York, Nov. 2.—Jake Daubert and Jack Coombs are the only members of the Brooklyn National league champions who will not have to sign the papers again if they are members of the Dodgers when the 1917 flag chase starts.

And, if Wilbert Robinson has anything to do with it, there are a few of the other Dodgers who will be homeless.

Nap Rucker, veteran of many a campaign and for a long time the only asset of the Dodgers, is one of the many who has run out of his term with the Brooklyn. Nap may be back and he may not—Robinson doesn't say.

Robinson declared when he left for his home in Baltimore that there were weak points in his club which must be strengthened if the team is to take any kind of a showing next year, and it is more than probable that a couple of these changes will come in the infield. Ivan Olson, despite his determination and his fighting spirit, seems booked for a new berth, and the same might be said of George Cutshaw, for George undoubtedly "cracked under the strain" in the world's series.

Cutshaw's slip-up probably will get attention if for no other reason than its moral effect on the Dodgers.

The outfield is destined to have at least one new performer. There are many who do not consider Jimmy Johnston of big league caliber and he probably will surrender his job to Hi Myers. There are several recruits who are expected to have the call over Johnston.

FAVOR STANDARD DRESS FOR WOMEN

Speakers at Federation of Women's Clubs Advise Against Following Fashion's Decree.

BI-ENNIAL MEETING FAVORED

(By United Press.)

Indianapolis, Ind., Nov. 2.—The resolutions committee of Indiana Federation of Women's Clubs at the annual meeting here recommended the adoption of the plan to hold bi-ennial meetings hereafter instead of annual. They recommended the president appoint a committee of five to revise the constitution, providing for bi-ennial meetings and to report at the 1917 meeting.

The committee also favored more co-operation between women's clubs and other organizations for a more careful censorship of moving picture shows.

Speakers at today's meeting advocated that women adopt a uniform and standard system of dress such as the men have and do away with following the fashions.

TORPEDO STRUCK MARINA AMIDSHIPS

Survivors Describe How British Steamer Was Sunk by German Submarine Without Warning.

FIVE AMERICANS PERISHED

(By United Press.)

Cork, Ireland, Nov. 2.—Depositions from 15 American survivors stating that the steamer Marina was torpedoed without warning with a probable loss of several American lives were taken here by United States Consul Frost and will be forwarded to the state department at Washington.

The Americans arrived here with 15 other survivors of the Marina's crew. They reported five Americans are missing and are believed to have perished.

The Marina was attacked early Saturday morning while enroute from Liverpool to Cork.

A torpedo struck her amidship and the starboard side. The explosion blew a great hole in the steamer's side and seemed to lift her out of the water, the survivors said. She rolled over on one side as she settled, but remained afloat twenty minutes, battered by the waves until her boilers exploded, splitting her in two.

KILLED BY AUTO

(By United Press.)

Greencastle, Ind., Nov. 1.—John Bladyes, age 74, was killed by an automobile driven by Frank Hanna of Rochdale. Bladyes was returning from a political meeting when he fell in front of the machine.

Any Flour Won't Do

I bake with Indiana Guarantee-Labeled Flour because it makes better bread and better cakes—and I save money.

I use this flour because it is a home product and because I have learned from experience that flour made from soft winter wheat is easiest to handle and gives the finest flavor to my baking.

I demand the "Know Your Flour" label because without it I am never sure. It is my guarantee and I know I can trust the flour that bears it.

To the women of Indiana I say—"For best results, insist that your grocer send you an Indiana Guarantee-Labeled Flour. Use no other."

Ford
THE UNIVERSAL CAR

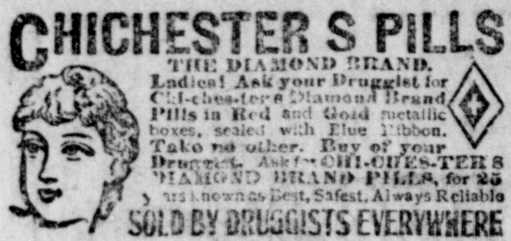

Three strong reasons urge you to buy the Ford car: First, because of its record of satisfactory service to more than fifteen hundred thousand owners; Second, because of the reliability of the Company which makes it; Third, because of its large radiator and enclosed fan, streamline hood, crown fenders front and rear, black finish, nickel trimmings, it is most attractive in appearance. To these must be added its wonderful economy in operation and maintenance—about two cents a mile; likewise the fact that by reason of its simplicity in construction anyone can operate and care for it. Nine thousand Ford agents make Ford service as universal as the car. Touring Car \$360, Runabout \$345, Coupelet \$505, Town Car \$595, Sedan \$645—f. o. b. Detroit. On sale at

MAKES HEADWAY IN PURSUIT OF GERM

Dr. Maximilian Herzog Believes he
Will be Successful in Fighting
Infantile Paralysis.

IS WORKING IN CHICAGO

(By United Press.)
Chicago, Nov. 2.—Discovery of
what may prove to be the germ of
infantile paralysis was announced
here by Dr. Maximilian Herzog. If
the experiments are supported by

latter evidence, the conclusions of
Dr. Flexner of the Rockefeller Insti-
tute will be upset. The work was
done of Dr. Herzog as head of the
research committee appointed by Dr.
John Dill Robertson here and his in-
vestigation was carried on at the
Cook county hospital largely.

With the newly discovered germ or
cocci, Dr. Herzog has produced
the disease in monkeys and rabbits.
It is possible however that this germ
is simply the carrier of a smaller
one, which actually causes the dis-
ease.

MANILLA MAULS MOSCOW

Defeats High School Five by Decis-
ive Score of 27 to 14.

Before one of the largest crowds
that the Manilla gymnasium has
known, the Moscow high school bas-
ket-ball team was defeated Tuesday
night by the Manilla five by the de-
cisive score of 27-14. The first half
was close, ending with Manilla one
point in the lead; in the second
half however, Moscow failed to keep
up the pace, losing 15 to 3. The
work of Hutchens, Wicker and Hea-
ton was especially good for Manilla
while Harecourt starred for the visi-
tors.

The score:
Manilla (27) Moscow (14)
Wicker Forward Harecourt
Heaton Forward Reber
Enos Center Gosnell, F.
Hutchens Guard Gosnell, P.
Phares Guard Piper.

Scoring: Field goals: Wicker 6,

WHAT IS THE ANSWER

William Randolph Hearst, owner
of extensive lands in Mexico and

ico, at the eleventh hour of the cam-
paign, announces his support of
President Wilson.

What has happened to change
him? What assurances has he re-
ceived?

The executive heads of the Erie
and Union Pacific railways, Wall
street properties, announce their
support of Wilson. Why? What as-
surances have they received?

The Democratic committee admits
that up to Oct. 27, it had received
campaign contributions of \$1,000,
283 and expects much more. It does
not tell how much its affiliated
bodies have received and expended,
nor from what sources. Why?

The list of contributors to the
Woodrow Wilson campaign fund this
year again is headed by Cleveland
H. Dodge with donations totaling
\$79,000.

The Chicago Tribune, a few weeks
ago, disclosed some interesting side-
lights on Mr. Dodge's activities,
which have not since been denied.

Mr. Dodge is vice president of
Phelps, Dodge & Co., which has
large interests in Mexico. One of its
subsidiary concerns is a large arms
and ammunition manufacturing com-
pany in the East. That concern
was indicted in 1913 on charges of
unlawfully shipping munitions into
Mexico.

The United States attorney gen-
eral for Arizona was instructed to
quash the indictment. He refused
and lost his job. The trial judge, W.
C. Sawtelle, who had just been ap-
pointed by President Wilson on rec-
ommendation of the attorney for the

—by keeping your teeth **REALLY CLEAN**.

"But," you say, "I brush my teeth regularly, yet they decay." Yes, you brush them, but do you **REALLY CLEAN** them? Tonight, after brushing your teeth, examine them closely. You will likely find an accumulation of tartar on the enamel and bits of food deposit hiding in the crevices.

Decay, as well as the dangerous gum disease called Pyorrhea, usually develops only in the mouth where germ-laden tartar is present.

SENRECO, the formula of a dental specialist, keeps the teeth **REALLY CLEAN**. It embodies specially prepared soluble granules unusually effective in cleaning away food deposits. Moreover, it is particularly destructive to the germ of Pyorrhea.

New York, Nov. 2.—Prizes total-
ing \$9,000 and five traveling schol-
arships, each valued at \$1,500 will
be awarded at the Columbia Univer-
sity commencement exercises 1917,
for meritorious journalistic work, as
provided for under the will of the
late Joseph Pulitzer, founder of the
Columbia School of Journalism. An-
nouncement has just been made.

Candidates may obtain full infor-
mation by applying to the Secretary
of the University. Nominations must
be made on forms provided and must
be in before Feb. 1, 1917.

Five of the prizes are to be as
follows:

(1) One thousand dollars for the
best and most suggestive paper on

ANNIVERSARY OF
CHURCH OBSERVED

St. Paul's Chapel, New York, Cele-
brates One Hundredth and Fif-
tieth Birthday.

FAMOUS MEN ATTENDED

(By United Press.)
New York, Nov. 2.—The one hun-
dredth and fiftieth anniversary of
the founding of St. Paul's chapel
Vesey street and Broadway, or Old
St. Paul's as it is now generally
known, is being observed today in
the chapel with sermon by the Right
Rev. Daniel S. Tuttle, presiding
Bishop of the Episcopal church.
George Washington, Alexander
Hamilton and scores of others of the
history makers of colonial days fre-
quently attended service at St.
Paul's. Part of one of Washingtons
inaugurals was held there.

Bishop Alfred Harding of Wash-
ington will preach tomorrow and
the Right Rev. Charles S. Burch will
close the anniversary celebration
with a service Saturday.

RALEIGH SCHOOL ITEMS.

Opening exercises were given last
Wednesday by Laverne Newkirk. A
sketch of the life and work of sev-
eral of the world's great singers was
given. This was supplanted by sev-
eral reproductions from them on the
violin.

The Senior English class finds
quite a great deal of interest in their
study of exposition. Oral composi-
tion is being emphasized with the
aim of developing greater power in
speech.

Evelyn Dora, a graduate of the
New Salem high school, is reviewing
the eighth grade work in preparation
to teach school.

The teachers from this school at-
tended the State Teachers' Associa-
tion at Indianapolis this past week.
The seventh and eighth grades
visited the high school during the
special program given by Laverne
Newkirk.

The Raleigh H. S. basket ball team
played ball with the Millville five last
Friday night. The game was one sided
from the first, Raleigh scoring
51 and Millville 18. The Raleigh five
had a good beginning. They have

several games scheduled but have a
few open dates which are available
if taken at once.

The Raleigh five plays with Ar-

Again for \$1—While They Last
This \$2.50 Aluminum Cooker

The cost of Aluminum has doubled since we ordered these lifetime
Cookers. At present prices, this offer would be impossible. So, in all
probability, after our supply is exhausted, it cannot be made again.

Next week the grocers of this city will once more feature this
Quaker Cooker offer. And for the last time, we believe.

We have supplied Cookers now to over 1,000,000 homes. We have
supplied \$2.50 Aluminum Cookers for \$1 to Quaker Oats users. But
this offer ends with our present supply, and probably forever. Unless
Aluminum drops 50 per cent, we cannot again offer a Cooker like
this for \$1.

But next week only we make the offer below. You can get this
Cookeer for \$1, by buying two of our cereals which should be cooked in it.

This offer is made to induce better cooking. To bring you Quaker
Oats and Pettijohn's cooked in perfect form, with the flavor kept in-
tact. Our reward will come in your doubled delight in these foods.
But we supply only one to each family.

Unless you have the right flakes, right cooking does not help much.
But, if you use Quaker Oats and Pettijohn's, this cooker is yours for \$1. This
is for one week only. Get the packages from any grocer named below.

One Week Only—Your Last Chance

Our Offer Is This: Purchase two packages of Quaker Oats and one package of Pettijohn's or three pack-
ages of either. Get a Sales Slip from your grocer showing the purchase. Send us check
or money order for \$1 with the Sales Slip and we will mail the cooker by parcel post. We ask the Sales Slip just to show
that you use our cereals. Sales Slips must be mailed next week. This offer applies in this vicinity only. Address

Quaker Oats

The Extra-Delicious Vim-Food
Flaked from Queen Oats Only

All the world over, Quaker Oats holds first place among oat foods. Oat
lovers of a hundred nations send to us to get it. A billion dishes are
consumed each year. Nowhere in the world do connoisseurs find any oat
food to compare with it.

The reason is this: Quaker Oats is made from queen grains only—just
the big, plump, luscious oats. No puny, starved grains are included. A
bushel of the choicest oats yields only ten pounds of Quaker.

The result is a flavor which has won the world—a flavor which is match-
less. Yet these large and luscious flakes cost you no extra price.

Nature stores in oats a wealth of vitality, which everybody needs. We
want you to know this fascinating vim-food, made as we make it and
cooked in our way.

Pettijohn's

Rolled Wheat with 25% Bran Flakes
A Modern Bran Dainty

Every doctor advises bran, as essential to right living. It is Nature's
laxative. Everybody every day should eat it. It means better health, better
spirits, sunnier days. Without it, our diet of fine food forces folks to drugs.

Pettijohn's is made to meet doctors' requirements. The bran is hidden
in savory flakes of wheat. The food is a morning dainty which everybody
likes. Yet it contains 25 per cent tender bran.

The bran is in flake form, which makes it doubly efficient. Ground bran
will not do.

Try Pettijohn's one week. Note its delightful effects. Never again will
you go back to a branless diet.

Then try Pettijohn's Flour. It is 75 per cent fine patent flour mixed with
25 per cent bran flakes. Use it like Graham flour in any recipe.

ENTHUSIASM IS AROUSED HERE

Great Preparations Being Made for
Reception of James E. Watson
Monday Afternoon

NEARBY CITIES INTERESTED

Biggest Rally of Campaign Thus
Far Will be District Rally of
Hughes Hustlers Tonight

The announcement yesterday that James E. Watson would speak here Monday afternoon was received with enthusiasm by republicans all over the county. It was at first believed that Mr. Watson would not get to speak in his home county this campaign, but he asked for the chance and will come here Monday afternoon from Newcastle and will be taken back to Newcastle late that afternoon for a night meeting.

An immense automobile parade will precede the meeting, in which every republican in the county with an automobile is urged to join. A committee will meet Mr. Watson at the edge of the city and will escort him into Rushville. The parade will then form and travel over the city, ending up at the coliseum. The committee to meet the Rushville man is composed of the following: Walter Hubbard, Charles Offutt, Dr. F. M. Sparks, John D. Stewart, John Carr, Otto Bussard, Joe Clark, Donald Alexander, Dr. J. C. Shauck, Eli Martin and Ed N. Hill.

It would have been the first campaign in many years that Mr. Watson did not get to speak in Rush county. The meeting will be held at the coliseum in the city park and from all indications it will be the largest meeting of the campaign. Mr. Watson's friends and neighbors are anxious to hear him and he did not like the idea of passing up Rushville.

Just as soon as the word was received that Mr. Watson would speak here every precinct committeeman in the county and every republican paper in the county were notified as the meeting was arranged in short notice and these means were employed in order to get the word to the people. Republican headquarters yesterday afternoon put in a busy afternoon arranging for the meeting, insuring attendance from outlying advertised in surrounding cities. The coming of Watson is beside the county.

Mr. Watson will speak at Muncie Saturday night. This is the night originally reserved for Rushville, but the local committee readily consented for him to speak at Muncie. He will address a noon factory meeting in Newcastle Monday and will then be brought here for the afternoon meeting. Following the meeting here he will again be taken to Newcastle where a great rally will be held that night.

A great crowd is expected to hear J. O. Batehelo, mayor of Marion, tonight at the Graham Annex auditorium. Young republicans from all over the district will gather here for this meeting which is under the auspices of the Hughes Hustlers. A parade which will be participated in by all republicans will precede the speaking. The parade promises to be the best political demonstration of the campaign thus far.

The parade will form on the east and south sides of the court house and will move promptly at seven-thirty o'clock. Every republican owner of an automobile is urged to participate. There will be plenty of red fire. A novel entertainment has been arranged before the speaking. The Misses Vera Mullen and Iris Robinson of Winchester will sing. Local people who heard them at Richmond a week ago are loud in their praise for the young women.

INJURED GATHERING CORN

Willie Scott of Near New Salem is
Stabbed in Eye by Stalk.

Willie Scott, living a few miles southeast of New Salem, had a narrow escape from losing the sight of one eye today when a stalk of corn tore the eyelid in two and pierced the eyeball, tearing out a small piece of it. It barely missed the sight and for that reason, attending physicians believe his sight will be saved. The accident occurred when Mr. Scott was gathering corn and in stooping over to pick up an ear of corn, the stalk ran into the eye.

CROWDED OFF ROAD BY BIG AUTO TRUCK

James Dugan is Seriously Injured
When Horse Turns Suddenly
and Upsets Milk Wagon

12 STITCHES TAKEN IN WOUND

James Dugan, driver of a milk wagon, was seriously injured yesterday afternoon when an auto truck crowded him off the road as he was coming down Cavitt's hill, causing the wagon to upset. Dugan was cut about the head and face by flying glass from one of the windows of the wagon. A total of twelve stitches were taken to close the wounds.

The truck was a large moving van and Dugan claims that he was crowded to the side of the road and that the horse started suddenly causing the wagon to turn over. He lost about forty gallons of cream in the accident. The wagon was badly smashed in the accident. Dugan was brought to this city by Will Jay, who passed the scene of the accident shortly after it occurred.

SUPPLY OF THE NEW DIMES ARRIVE HERE

Latest Issue Received by Peoples
National Bank is Radically
Different From Old One

DESCRIPTION OF THE COIN

The Peoples National bank has received a supply of the new dimes just issued by the government. The latest ten-cent pieces are radically different in design from the old coins. On one side are the words "Liberty" and "In God we Trust," and the date. The initials of the designer are also placed on this side. The small initials are arranged in the monogram and with the aid of a glass the two letters "A" and "W" can be plainly seen.

On the other side of the new coin there is a reproduction of a fasces and the words "United States of America" and at the lower part in very small letters, "E. Pluribus Unum." The dimes are very attractive and are so different from the old coins that the difference is noticed at once. The bank was busy today putting the new coins in circulation.

CANDIDATES OF G. O. P. PRAISED

S. D. Miller Asks Glenwood Audience
to Imagine Tom Taggart in
Ben Harrison's Place

SHOWS GOODRICH'S WORTH

Also Deals With "He Kept Us Out
of War" and the Adamson
Railway Wage Law

"I have a boy sleeping under a blanket on the Rio Grande tonight. I would rather have him brought back to me on a stretcher, in a war with honor, than a peace with dishonor."

In this fashion Samuel D. Miller, Indianapolis attorney, son of William H. Miller, former United States attorney general, paid his respects to the democratic campaign slogan, "He kept us out of war," at an enthusiastic republican meeting in Glenwood last night. Osborne's hall was almost filled with people who often interrupted the speaker with applause.

Chauncey Duncanson presided and several candidates, both from Fayette and Rush county, spoke briefly. The Jim Watson glee club and a quartet from Fayette county both sang and were called back repeatedly.

Mr. Miller referred to the wabbling foreign policy of the present administration and discussed the need of a protective tariff after the war. As an example of the unfairness of the Adamson law, he cited the figures, obtained from the auditor of the road, that with 1,322 men employed on the C. I. & W. the law causes an annual increase of wages of \$55,200, which benefits only 96 of the employees. He also called attention to the fact that the president expected to make up the loss to the railroads, through the increase in wages, by allowing them to increase freight rates.

Of more interest, perhaps, was his reference to the three leading candidates on the state ticket and his praise of them. His eloquent appeal for James E. Watson was loudly applauded. He referred to Watson's opponent, Tom Taggart, as "the pleasant peddler of pluto."

"For years I have known your candidate for congress, Daniel W. Comstock," said Mr. Miller. "He is ripe of wisdom, years and experience. He is fit—and when I say fit that is high praise—fit to represent this district in congress."

"It would be in a way presumptuous for me to undertake to talk to you about Jim Watson, because it would be a good deal as if I were to go into your own households and begin to extol the virtues of your own children. You all know him down here, and it goes without saying that you love him, and I know you will all do what you can to see that he is elected to the United States Senate this fall."

"He has it pretty easy in a way, because of his adversary. You all know what Tom Taggart is and has been politically and what he stands for; and you all know that if Tom Taggart had been a republican, no one in the world would ever have dreamed of suggesting that he should become a candidate for the United States Senate. Think of Senator Daniel Webster and then think, if you can, of Thomas Taggart in the role of United States senator. Think of Senator Benjamin Harrison and then, if you can, think of Tom Taggart, rattling around in his shoes. Think of Senator McDonald, a staunch Democrat, of Senator Voorhees, a staunch Democrat, and Senator Turpie, another staunch Democrat, and then try to conceive of the pleasant peddler of pluto attempting to rise to

COAL PRICE IS STILL GOING UP

Some Grades Can Not Even be Sup-
plied and Others are Almost
50 Per Cent Higher

ANTHRACITE IS NOW \$9 A TON

Shortage of Cars is Blamed for
Threatened Famine—Much
Suffering May Result

Unless the threatened coal famine is averted, much suffering will be caused in Rushville when severe cold weather comes, because the price of coal has now almost soared to prohibitive prices.

Local dealers cannot supply. Pocahontas, a grade much used here simply because they do not have it and can not get it. One dealer reported a car load on the way, but said he had no assurance when it would arrive. Pocahontas lump, which last winter sold for \$4.50 a ton, would probably bring \$7 here now if it were to be had, but dealers will not give you any quotation on coal they do not have in stock because jobbers are charging the current price on the day the coal is shipped.

The very commonest grades of coal, including that from Indiana mines, cost the dealer \$5.40 a ton laid down in Rushville. Only a few weeks ago Pocahontas lump could be purchased for \$5.00 a ton.

The price of anthracite is keeping pace with soft coal. Quotations on this kind of coal today was \$9.00 a ton, with the supply very limited. One dealer had a little in the bins, but it was all sold. Anthracite was selling at \$8.25 a few days ago.

It is generally agreed that the high prices are due to the shortage in cars, which makes it impossible to move the coal. The great demand for coal, with so many blast furnaces and munition factories running, also contributes to the short supply, it is stated by some dealers. The general strike of Oklahoma miners yesterday added to the apprehension felt about the coal market.

Coal dealers would be considerably relieved if they knew what the future held in store. They do not like to load up at the present price—and they couldn't get the coal if they did order it—but they would like to buy all they can if prices are going higher still.

In the larger cities every effort is being made to conserve the supply and the same economy should be practiced in Rushville, it is advocated, because suffering would be as great proportionately in Rushville, in case of a cold wave, as in a large city.

TURN DOWN PROPOSITION

Indiana Federation of Women's
Clubs Will Meet Annually

(By United Press.)

Indianapolis, Ind., Nov. 2.—The Indiana Federation of Women's clubs today turned down the proposition of holding the conventions biennially instead of annually as at present. The report favoring holding annual meetings was adopted after members of small clubs objected to making a change.

The convention also adopted a resolution favoring the nomination of the director in the national organization from Indiana at the convention.

Huntington, Ind., Nov. 2.—Judge Cook in circuit court here today ordered County Auditor Eviston to enter the name of Dr. Thomas B. Terhune on the registration books. Dr. Terhune had registered in the wrong precinct.

(By United Press.)

London, Nov. 2.—The submarine that sunk the British steamer Marina with the probable loss of six American lives followed the ship's boats for half an hour after the Marina went down, but made no offer to assist them, survivors reported today.

Dispatches from Queenstown today said the missing members of the Marina's crew have been given up as lost. Practically all patrol boats that might have picked them up have reported.

INTERURBAN HITS SCHOOL HACK TODAY

Three Girls Probably Fatally Hurt
in Crossing Accident at Como,
in Jay County

DRIVER SERIOUSLY INJURED

(By United Press.)

Muncie, Ind., Nov. 2.—Three young school girls will probably die and Peter Knoth, driver of a school hack and 17 other school children, were less seriously injured when an interurban car crashed into a school hack at Como, Jay county, today.

The three girls probably fatally hurt are: Margaret Gaunt, Mabel Wagner and Goldie Stephens.

Knoth is so seriously injured that authorities have been unable to get his statement. According to stories told by some of the children, Knoth had stopped the hack a short distance from the traction line, but when he approached the tracks he failed to stop again. It is said the car whistled but it is believed Knoth did not hear the warning. The car crashed into the back end of the school hack. The children sitting in front of the wagon were seriously injured, but were hurled to each side of the road. Knoth was knocked from the drivers seat and picked up unconscious several feet away.

HUGHES CONFIDENT OF OHIO AND INDIANA

Says Receptions Indicate Deep In-
terest of People in Essential
Conditions of Prosperity

SATISFIED AT G. O. P. REUNION

By PERRY ARNOLD
(U. P. Staff Correspondent.)

Batavia, N. Y., Nov. 2.—Republican Nominee Hughes today said he was entirely confident of victory in the debatable states of Ohio and Indiana. Speaking before an enthusiastic audience here, he said:

"I have just returned from a trip through Ohio and Indiana with a profound sense of gratification and entire confidence with respect to the result in both states. In both Indiana and Ohio it is not exaggerating to say that I had receptions which perhaps exceeded those accorded to any other presidential candidate."

"That was, of course, not a tribute to me personally but it was an indication of the deep interest that the people are taking in the essential conditions of their prosperity and their satisfaction that there is a great reunited republican party ready for service at this critical time."

The Pastor's Aid society of the Main Street Christian church will have a penny supper and apron sale in the basement of the church, on Friday evening, beginning at five o'clock.

GECKLER A LIFE LONG DEMOCRAT

Man Who Addressed Carthage Dem-
ocratic Meeting Last Night
Never Was a Republican

ONCE CLERK OF INDIANAPOLIS

Posing as Former Progressive, Told
Why he "Didn't Come Back
to Republican Party"

John F. Geckler of Indianapolis, a life-long democrat, who claims to have been a progressive in 1912, addressed a democratic meeting in Carthage last night. Geckler attracted a large crowd because he had been advertised as a progressive who refused to go back to the republican party.

Geckler never was a republican and has long been identified with the democrat machine in Marion county. In fact, he served one term as city clerk of the City of Indianapolis. Geckler told his audience last night his reasons for not coming back to the republican party when, as a matter of fact, he never was a republican.

Geckler is billed to speak at Milroy tonight and no doubt will tell the same story and deliver the same speech there. The meeting at Carthage attracted a crowd that filled the hall, and according to local democrats that attended the meeting, it was one of the best political meetings of the campaign.

The announcement that Geckler, a former progressive, would speak was used with great force. It is pointed out that the democratic organization in Rush county is almost desperate when it goes to extreme measures like this. The democrats are making a great bid for the progressive vote, evidently seeing that they are the "meal" ticket of this party.

Geckler in his Carthage address is reported to have severely criticized the republican party and gave his reason for not "going back" to this party. If he ever was a republican the organization in Marion county has been badly fooled all of these years as he was considered a staunch democrat and his record as an office holder under a democratic administration indicates this.

Democrats from this city who attended the Carthage meeting stated that Geckler was not an orator but simply gave a straight, heart-to-heart talk along business lines and pointed out the difference between the democratic party and the republican party and because of these differences declared that he chose the democratic party. The progressives of Ripley township and in fact all of Rush county won't be fooled by these kind of speakers.

ARE KILLED IN COLD BLOOD BY VILLISTAS

(By United Press.)

El Paso, Texas, Nov. 2.—Twenty-eight Mexican government soldiers, forming the escort to a train on the Mexican Central railway line were butchered in cold blood, 400 passengers were lined up and robbed and a German subject beaten senseless by 200 Villista bandits at Laguna last Monday when the railway line was cut by the Villistas.

Official announcement to this effect was made here today by the Mexican consul.

The town of Laguna is about 150 miles straight south of the American border. An official bulletin giving meagre details of the butchering reached the border when the wires were restored today.

SAGE TEA KEEPS YOUR HAIR DARK

When Mixed with Sulphur It
Brings Back Its Beautiful
Lustre at Once.

Gray hair, however handsome, denotes advancing age. We all know the advantage of a youthful appearance. Your hair is your charm. It makes or mars the face. When it fades, turns gray and looks streaked, just a few applications of Sage Tea and Sulphur enhances its appearance a hundred-fold.

Don't stay gray! Look young! Either prepare the recipe at home or get from any drug store a 50-cent bottle of "Wyeth's Sage and Sulphur Compound," which is merely the old-time recipe improved by the addition of other ingredients. Thousands of folks recommend this ready-to-use preparation because it darkens the hair beautifully, besides, no one can possibly tell, as it darkens so naturally and evenly. You moisten a sponge or soft brush with it, drawing this through the hair, taking one small strand at a time. By morning the gray hair disappears; after another application or two, its natural color is restored and it becomes thick, glossy and lustrous, and you appear years younger.

Wyeth's Sage and Sulphur Compound is a delightful toilet requisite. It is not intended for the cure, mitigation or prevention of disease.

When You Come to Us for Floorcoverings

You may consider that you are in the midst of the best collection of fine rugs, carpets and linoleums on earth. We have surrounded ourselves with the best lines of floorcoverings to be found in the world—well known advertised brands that have the backing of concerns capitalized at millions of dollars.

A 9 x 12 WHITTALL Rug was tested out on the walk in front of our store for 13 days, (March 24 to April 6, 1915,) during which time we had rain, snow, ice and sunshine. The rug is in use in a Rushville home today and does not show the slightest signs of wear.

You are Taking No Chances When You Choose From Such Lines as These—

WHITTALL	ALEXANDER SMITH	FAR & BAILEY	LOMAX & CO.	HODGES

Blind to Industrial Defense.

President Wilson's refusal to look ahead and prepare the country industrially is exactly like his refusal at one time to look ahead and prepare for national defense.

Eight months after the European war had begun, and when the American people instinctively were demanding better defenses on land and sea, Mr. Wilson superciliously described the movement as "nervous and excited." "We are well prepared," he said, as if he were addressing little children "Don't be nervous; don't make the mistake of thinking that I have not already thought of these things; we are strong; we have a navy and an army. You are merely mistaken, that is all."

Later, when he had barely escaped war, Mr. Wilson took heed of the strong demand, saw that the people would sweep him aside if he did not obey their will, and then he was the chief champion of national defense. He said the country should have the biggest navy in the world—the other extreme that no sane American demands. He declared that no man could tell at what moment war would come. His speeches were as full of alarm as they had been previously

smug and self-satisfied. By the aid of Republicans, who constantly opposed the niggardly attitude of many Democrats in Congress, a program of national defense was enacted which met the demands of the people.

Now Mr. Wilson again plays the schoolmaster and tells the people they are nervous and excited when they demand industrial defense. He tells them they are "seeing things" when they predict severe competition from European cheap labor after the war. He refers to the popgun "dumping clause" of the new revenue law and asserts that it is all-sufficient protection to American labor.

President Wilson fails to meet the situation now, as he failed to meet it in regard to national defense until he dared to refuse the mandate of the people. He is not a leader, but a reluctant follower of public opinion. He does not believe the public is right, and when compelled to abandon his own attitude, he does it for the sake of votes, and not because he believes the public is right.

The dumping clause is an absurdity as a means of insuring industrial defense. It does not protect American industry or American labor products of Europe. It merely prevents the sale here of foreign goods at prices cheaper than they bring at home. There are thousands of articles of importance which can be manufactured cheaply and sold cheaply abroad, and if no protective tariff bars them out they will enter the United States in competition with the goods made by well-paid American labor. They can be sold here at the price they bring at home, or even higher, and still be ruinous to American industry.

The dumping clause applies only to goods that foreigners may try to sell to Americans at a price lower than that paid in the foreigner's own country. But the foreigner need not fix his prices so low. Under the Democratic tariff he can raise his prices, and still undersell Americans in America. The tariff law admits two-thirds of all imports free of duty. The foreigner has every advantage over an American in the American market. He has cheap labor, cheap raw material, cheap transportation, and no duty to pay. The American manufacturer in many industries has costly labor, costly raw material, long-distance railroad transportation, and high taxes to pay. The item of labor, however, is the principal factor of cost. Labor receives from 75 to 90 per cent. of the outlay of manufacture in America. In foreign countries labor receives much less.

President Wilson knows these facts, or can know them if he will not close his mind to the truth.

But President Wilson refuses to recognize these facts. He is ashamed apparently, to abandon the free-trade theories which he absorbed as a college student and professor. His theory of business and commerce is shattered by the workaday truth, but he clings to theory, nevertheless. When Mr. Hughes voices the demand of the people for industrial protection and defense, Mr. Wilson dodges the issue and sneeringly suggests that the people are "nervous and excited;" that they don't know what they are talking about; that there is a popgun dumping law already in existence, and that the ignorance of the people concerning this law is evidence that they are ignorant of the whole subject.

There need be no expectation of national industrial defense or protection against foreign cheap-labor competition so long as Mr. Wilson is President.

Mexico.

More than five hundred Americans have been murdered in Mexico. American women by scores have been outraged. American property and investments worth hundreds of millions of dollars has been stolen or destroyed. Thousands of Americans have been run out of Mexico and are now in the United States in a destitute condition.

What has the Wilson administration done about this.

What is it going to do about it?

Ask the Democrats.

When Mr. Hughes assumes office on the fourth of March the country will breathe a sigh of relief to think that it has a president who means what he says and whose word may be depended upon.

their station. Tom Taggart is an amiable gentleman who has made money in many ways, but to think of him permanently in the United States Senate chamber, pervaded as it is with the spirits of great men who have been there, shocks beyond words one's idea of the fitness of things.

"Then there is Jim Watson's running mate. Do you know him? Harry S. New is a four square, manly man, viewed from every angle. Per-

WOMEN SHOULD GET THIS HABIT AS WELL AS MEN

Don't Eat Bite of Breakfast Until You Drink Glass of Hot Water.

Happy, bright, alert—vigorous and vivacious—a good clear skin; a natural, rosy complexion and freedom from illness are assured only by clean healthy blood. If only every woman and likewise every man could realize the wonders of the morning inside bath, what a gratifying change would take place.

Instead of the thousands of sickly, anaemic-looking men, women and girls with pasty or muddy complexions; instead of the multitudes of "nerve wrecks," "rundowns," "brain fags," and pessimists we should see a virile, optimistic throng of rosy-cheeked people everywhere.

An inside bath is had by drinking, each morning before breakfast, a glass of real hot water with a teaspoonful of limestone phosphate in it to wash from the stomach, liver, kidneys and ten yards of bowels the previous day's indigestible waste, sour fermentations and poisons, thus cleansing, sweetening and freshening the entire alimentary canal before putting more food into the stomach.

Those subject to sick headache, biliousness, nasty breath, rheumatics, colds; and particularly those who have a pallid, sallow complexion and who are constipated very often, are urged to obtain a quarter pound of limestone phosphate at the drug store which will cost but a trifle but is sufficient to demonstrate the quick and remarkable change in both health and appearance awaiting those who practice internal sanitation. We must remember that inside cleanliness is more important than outside, because the skin does not absorb impurities to contaminate the blood, while the pores in the thirty feet of bowels do.

haps some of you knew his father, Col. John C. New, a hardy Roman if there ever lived one, a republican through and through and an American always. If you were acquainted with Col. New you know the stock that Harry New comes from. And there is no doubt that blood tells. Harry New is a successful business man, has a wide experience in public affairs, is as honest as honesty and will make a senator of whom we will all be justly proud.

"His adversary is John W. Kern. He is also a genial gentleman and he is also a perpetual and star member of the "In-Wrong" club. By that I mean that he can never get on the right side of any question if he can find the wrong side. When the government of the United States was prosecuting the dynamiters for violations of laws enacted by Congress, John W. Kern was a member of the United States Senate—that is the government of the United States was his employer and he was on its pay roll—but that did not deter him from taking employment on the other side, that is in apposition to the government.

"He must go and Harry New must replace him. See to it that the next senators of the United States from Indiana are Harry S. New and James E. Watson."

Mr. Miller a few years ago was brought into contact with James P. Goodrich, republican candidate for Governor, and discussed Mr. Goodrich's capacity for discharging the duties of the office of Governor at considerable length. He paid a glowing tribute to Mr. Goodrich's executive ability, to his honesty and integrity, his wide grasp of public problems and his keen insight into the character and merit of men with whom he has been identified.

"I desire," said Mr. Miller, "to say some things about Goodrich which I know personally because of my intimate contact and association with him. I want to say some things about James P. Goodrich, our candidate for Governor. No doubt some of you know him. I want to tell you what I know about him.

"In November you are going to hire a man to help make, construe and enforce laws. He is going to be your hired man, hired to do these things for you. If you want a lawyer a man skilled in the law from all angles, James P. Goodrich is the man for you to hire because for years he was a practicing lawyer, an equal among the best in Randolph County and eastern Indiana.

James Mason, candidate for joint representative from Fayette and Franklin counties, spoke and two Fayette county candidates for commissioner were introduced.

Ezekiel Jones, Rush county candidate for sheriff, when introduced, said he would be glad to have all the votes he could get and would take a few from Fayette county if they could be spared.

Will H. McMillin, candidate for

auditor, said he would appreciate the votes of all who saw fit to vote for him and that if elected he would serve all the people to the best of his ability.

George Moore, for clerk, said he was like the minister who stepped using manuscript "because the devil always got into it," but when he got up to speak extemporaneously, not even the devil knew what he was going to say. He said he would appreciate the support of everyone.

Albert Stevens, for prosecutor, said he had not had time to make as thorough a canvass as two years ago, but that he would appreciate support. He declared he had tried to conduct the office conscientiously without fear or favor, as he pledged in the last campaign, and "if I have made mistakes, they have not been of the heart."

Chauncey Duncan spoke in behalf of the other candidates, mentioning especially Lem P. Dobyns, candidate for joint senator, who is unable to cover all the territory.

PROHI SPECIAL HERE SATURDAY

Principal Speech Will be Made by J. Frank Hanly, Candidate for the Presidency

EXPECTS TO BE THIRD PARTY

This city is to have as its guests Saturday afternoon J. Frank Hanly and Ira Landrith, Prohibition candidates for President and Vice President of the United States. The Dry standard bearers will come here on a special train on which they have traveled about fifteen thousand miles in the past two months, visiting many states, where the arguments of the Prohibition party have been made to large crowds. Oliver W. Stewart, campaign manager of the Prohibitionists, is also on the train and is one of the speakers of the party.

The Drys are attracting more attention this year than ever before, and there seems to be some ground for the rumors that they will sufficiently grow in strength this year to become the Third party of the nation, a place that was occupied last national election by the Progressives, or Bull Moose, and which prior to that time, was usually conceded to the Socialists. Increase of dry sentiment, and the affiliation of many western progressives with the progressive party is claimed by the Prohibition leaders.

Mr. Hanly, who will be the principal speaker here, is a national character and an orator of note. He was formerly Governor of Indiana, and also legislator and congressman from that state. Ira Landrith, of Tennessee, is also a speaker of note, and enjoys the reputation of having

People Relieved of Suffering Join in Nation-Wide Movement To Express Thanks for Tanlac

Multitudes Tell How They Were Helped by Great Tonic, Appetizer, Invigorant and Revitalizer While Tanlac Holds Attention Supreme

Tanlac, the great new master medicine and tonic for sick, weak, nervous, run-down men and women, is in two million homes today because of its true worth.

Multitudes of men and women claim that Tanlac has given them back health and strength. Eight thousand leading druggists of the United States endorse the remedy for relief from ills of the stomach and digestive system, liver and kidneys. They know that Tanlac is the sensation of their business—the remedy that they are glad to sell because, as they say, "It gives universal satisfaction."

Tanlac's Success Immediate

Two years ago Tanlac was offered to the public in Lexington, Kentucky. Its success in alleviating pains and ills of the stomach and digestive system was instantly proclaimed by those who took the medicine. In nine months a million bottles had been sold in a limited territory. Today, only two years after Tanlac's presentation to the public, more than seven million bottles have been sold.

The endorsement of Tanlac by druggist and user means merit. Back of Tanlac's triumph in the drug store is Tanlac's triumph in the home. It has become a household remedy.

Tanlac has become known as The National Tonic. So great is its merit that a million dollar corporation has been formed to distribute it in Canada. New laboratories are being considered to increase the production, which is already at the amazing rate of over five million bottles a year. It is to be introduced in Hawaii, Porto Rico and Cuba.

Why People Talk About It

At one time one distributor of Tanlac ordered five carloads—72,000 bottles. In the same week four carloads were ordered for New York, two for Pennsylvania, one for Minnesota.

Only true worth of Tanlac as a relief for suffering could explain Tanlac's popularity. When people suffering from indigestion, dyspepsia, belching and bloating from gas, sourness and soreness of the stomach, inactive liver, biliousness, dizziness, kidney troubles, pains in the side and back, headaches, weakness, sleeplessness, nervousness, loss of weight, catarrhal conditions, foul breath and rheumatism are helped by Tanlac they are sure to talk about Tanlac.

Tanlac is well advertised but only its true merit could create its popularity. It is what people who have taken Tanlac say about the medicine that has made it recognized as The Master Medicine.

Proper Relief Is Simple

Advertising may sell one bottle of Tanlac, but all the advertising in the world could not sell a second bottle to the purchaser if the first bottle did not give satisfaction. "It's what the neighbors say about Tanlac that counts." People who have taken Tanlac are so enthusiastic about it that they may tell a dozen or a hundred others about the great new medicine.

The suffering of thousands of people may be simply explained and, if the proper remedy is used, may be simply relieved. Many ills are due to what is known as intestinal toxemia—a self-poisoning due to the fermentation of food in the stomach and intestines because the digestive system fails to do its work properly.

Tanlac, a purely vegetable remedy made from a secret formula, is specially designed to relieve these ills—the common, everyday ills which make millions of men and women miserable; rob them of their strength and vitality, and keep them in distress, discomfort and pain while they should be enjoying the blessings of complete health and vigor which make life worth while.

Ev idence Is Strong

Tens and tens of thousands of endorsements of Tanlac prove what Tanlac has done and can do for sufferers. They are evidence that can not be disputed. Tanlac has been endorsed and recommended by leading business men, by lawyers, ministers, farmers, artisans and mechanics, by women in the factory, the farm, the home—by people in every walk of life.

Such evidence proves Tanlac The Master Medicine, and has made Tanlac the National Tonic.

Tanlac is sold in Rushville only at F. E. WOLCOTT'S

NATIONAL BISCUIT COMPANY

The Holmes Bible class will meet tomorrow afternoon at 2:30 o'clock as usual.

Mrs. Louis Manzy and Miss Gladys Rebut are pledged to the Psi Iota Xi sorority.

There will be an important meeting of Tri Kappa at the home of Mrs. Jack Knecht tomorrow evening. Every member is urged to be present.

Mrs. C. H. McKee and two daughters, Carrie and Lydia were the dinner guests last evening of Mr. and Mrs. Albert May of near Orange.

Martha Poe Chapter No. 140, O. E. S., will hold a regular meeting Friday evening at 7:30 o'clock at the Masonic Temple. A good attendance is desired.

There will be an important meeting of the Immaculata Sodality in the K. of C. hall this evening when arrangements for the penny supper to be held there November 7th will be made.

Miss Margaret Gray entertained at dinner last evening a party that motored here from Indianapolis. Her guests were the Misses Evangeline Bates, Archela Metcalf, and Henry Dollman, Lewis Schnoel and Herman Hooper.

The guests of Miss Helen Osborn on Tuesday evening had a jolly time at her Halloween party. Pretty decorations suggestive of the season were used and games carrying out the idea of the day were played. Dainty refreshments were served.

Miss Lavonne Quyle and Paul McDaniel are to be married on Saturday evening and a reception will be given in their honor on Sunday afternoon by the parents of the bridegroom, Mr. and Mrs. David McDaniel, at their home in West Third street.

About 14 couples attended the informal dancing party given by the Elks in their hall last evening. It was a pleasant affair and marked the opening of the dancing season for the Elks, who will continue to give informal parties throughout the winter. Mitchell's orchestra furnished good music.

Seventy-five young people attended the social given at the Methodist church of Milroy by the Epworth League on Tuesday evening. The name given "The Goblin Party" was carried out to the last detail in weirdness. The decorations were those suggestive of Halloween and appropriate games entertained the young people. Delicious refreshments were served.

Mrs. George Aultman was hostess to the members of the Grand Club at her home in West First street this afternoon. Bouquets of fragrant fall flowers were through the rooms of the home and in the center of the dining table where the guests were seated to enjoy the elegant two course luncheon. A series of Bridge games preceded this. Mrs. Sarah E. Mull of Indianapolis and Mrs. Sallie Houston of Shelbyville, a sister of Mrs. Aultman, were among the guests. The next meeting will be with Mrs. T. W. Betker.

A delightful Halloween party was given last evening by Miss Zola Bird and Miss Alta Enos at the home of Miss Enos in West Fifth street. A color scheme of orange and black was used in the dining room and leaves, pumpkins, and corn stalks decorated the other rooms. A delicious two course luncheon was served to the guests who included the Misses Edith Downey, Hazel Newkirk, Ethel Pea, Louise Bingham, Carrie Downey, Ruby Ellerman, Gladys Cleveland, Celia Connelly and Freda Worfield, and Roy Ellerman, George Wolf and Earl White of Connersville, Clayton Perry, Ray, Gallimore, Kenneth Walker, Ray, Foster, Fay Wiley, and Harold Johnson.

AVIATOR HAD TO DESCEND

(By United Press.)

Erie, Penn., Nov. 2.—Victor Carlstrom, the aviator who is attempting a flight from Chicago to New York in one day, was forced to land here on account of engine trouble. He descended in the outskirts of the city but was expected to take to the air again at noon.

SOCIETY

The members of the Emanon Club will be entertained tomorrow afternoon by Mrs. J. V. Young at her home at 109 East Seventh street.

In honor of the birthday of Mr. Scott Hosier, Mrs. Hosier entertained at a prettily appointed dinner last evening Mr. and Mrs. Russell Bearinger and son, Byron, and Mr. and Mrs. Wilbur Wilson, at their home in North Morgan street.

The meeting of the Young Yadies Missionary society of the United Presbyterian church held with Mrs. Hal Pike yesterday afternoon was a social one, with no program or business meeting. A delightfully informal afternoon was spent by the guests who also enjoyed the service of dainty refreshments.

As a compliment to Mrs. Rebecca Conner of Connersville, Mrs. Joe Amos entertained several dinner guests at her country home east of the city today. Covers were laid for Mrs. J. W. Casady, Mrs. F. G. Hackleman, Mrs. Fanny Ayres, Mrs. Eunice Moore, Mrs. Jabez Winship and Mrs. Will Meredith.

The members of the Wednesday Afternoon Club gave a Halloween party Tuesday evening at the home of Mr. and Mrs. Ed Lee for their husbands and families. The fact that all the guests masked made the affair all the more fun. A dainty luncheon was served late in the evening.

Halloween appointments were carried out yesterday afternoon at the home of Mrs. Grant Gregg, when she entertained the members of the Wednesday Afternoon Club. Aside from the decorations of pumpkin faces and autumn leaves, clever Halloween favors were given the guests during the service of the delicious luncheon. Among the fifteen guests were Mrs. Roy Aldridge of Pittsburgh, Penn., and Mrs. George Helm of this city who were guests with the club members. Mrs. A. T. Mahin will be hostess for the next meeting.

The Shakespeare Club opened the year of interesting literary programs with their meeting last evening at the home of William E. Wallace in North Perkins street when the hostesses were the Misses Nelle Baldwin, Letta Denny and Kate Dennis. An intensely interesting review of Arnold Bennett's "Clayhanger" was given by Mrs. Will Coleman. Miss Nora Sleeth and Miss Edith Caldwell gave talks on Arnold Bennett, the man and his work. Dainty refreshments were served by the hostesses.

The program was preparatory to the lecture to be given here November 9th by Prof. Jenkins of Indiana university on "Arnold Bennett." Prof. Jenkins will, as in past years, give a series of lectures before the club. His subject this year will be "Contemporary Novelists."

When Mrs. Bertha Adams and Mrs. Maude Williams entertained the members of the Juanita Club at the home of the former in West Seventh street yesterday afternoon, the home was prettily decorated with chrysanthemums of different colors. A social afternoon was enjoyed by the ladies and a one course luncheon was served. Eighteen members of the club were present. It was decided to have the next meeting in the form of a mask social at the home of Mrs. Ben Goodin in North Perkins street on Wednesday evening, November 15th.

Ways and means of increasing attendance were discussed at the meeting of the officers and teachers of the St. Paul's M. E. Sunday school, held with Ernest Marlatt at his home in West Seventh street last evening, when about twenty were present. A definite campaign for attendance will be started in the near future. The Christmas entertainment for the Sunday School and several other matters of business importance were discussed and decided upon. At the conclusion of the business meeting, conducted by the superintendent, dainty refreshments were served.

A report of the district convention was given by Mrs. Esther McCloud at the meeting of the Woman's Foreign Missionary society of the St. Paul's M. E. church, held with Mrs. J. H. Scholl yesterday afternoon, at her home in North Jackson street. Other numbers on the program included an interesting review of the 2nd chapter in the mission study book, "World Missions and World Peace" by Mrs. W. M. Whitsitt, who was leader for the program; devotions conducted by Mrs. R. G. Budd; and a vocal duet by Mrs. Esther McCloud and Mrs. F. H. Wolcott. Delicious refreshments were served to the dozen guests present during the social period.

Halloween decorations of corn stalks, pumpkin faces, and autumn boughs gave the basement of the Christian church a pretty appearance for the entertainment of the C. W. B. M. yesterday afternoon, when the hostesses were the ladies of the November division. The report of the Des Moines convention given in an interesting way by Mrs. J. D. Case was one of the features of the program. Devotions were conducted by Mrs. Laura Keisling; Mrs. Albert Allen read a paper on "The Twenty Republics and Indian Territory;" and Mrs. Austin Frazee reviewed in her paper, "Roman Catholic and Evangelical Influence." A business session, conducted by the president, Mrs. Joe Amos followed the program.

As a surprise to the guests, the hostesses masked before serving the dainty luncheon of pumpkin pie and coffee and appeared in comical garbs of all kinds. There was an excellent attendance at the meeting.

ROOTERS COMING ON A SPECIAL CAR

Connersville Will be Here Tomorrow Night Confident of Trimming Rushville Five

OLD RIVALRY STILL EXISTS

The first big basketball game of the season is scheduled for tomorrow night when the Connersville high school team comes here to do battle with the locals. The Connersville team will be accompanied by a large crowd of rooters, coming on a special car. Connersville is confident of winning and the same old rivalry exists as in years past.

A curtain raiser will be played starting at 7:15 o'clock. The big game will start promptly at eight o'clock. The Rushville team is in good condition for the contest. The team has played three preliminary games and the team work has gradually improved. The team will come out in their new uniforms tomorrow night. The largest crowd of the season is expected as these two schools usually play their best game against each other. Ross Smith of Indianapolis will referee the contest.

Amusements

The Gem offers a five reel program tonight. The first picture is the next chapter of the great serial, "Who's Guilty?" The second is "Pathe News No. 73." The third is a comedy entitled "Whiffles Futile Flyver." The last is an educational film entitled "The United States Government in Action," showing the president and his cabinet at work. Tomorrow the feature picture "If Happened in Honolulu" will be shown, in which Myrtle Gonzales and Val Paul are featured.

The Mystic offers the three act feature "The Broken Promise" for the first picture tonight. Ann Drew is featured and it is said to be a fine drama. The second is a drama entitled "The Blind Princess and the Poet." Blanche Sweet and Florence LaBadie and an all-star cast are featured. The last picture of the program is a comedy, "A Bunch of Flivvers." Tomorrow the Charles

NEW CONTRACTS FOR DODGERS

All But Daubert and Coombs Must
Sign New Papers if They
Play Next Year.

SOME TO BE TURNED LOOSE

Outfield is Destined to Have at Least
One New Performer—Hi
Myers May Go.

(U. P. Staff Correspondent.)
New York, Nov. 2.—Jack Daubert
and Jack Coombs are the only mem-
bers of the Brooklyn National
league champions who will not have
to sign the papers again if they are
members of the Dodgers when the
1917 flag chase starts.

And, if Wilbert Robinson has any-
thing to do with it, there are a few
of the other Dodgers who will be
homeless.

Nap Rucker, veteran of many a
campaign and for a long time the
only asset of the Dodgers, is one of
the many who has run out of his
term with the Brooklyn. Nap may
be back and he may not—Robinson
doesn't say.

Robinson declared when he left
for his home in Baltimore that there
were weak points in his club which
must be strengthened if the team is
to take any kind of a showing next
year, and it is more than probable
that a couple of these changes will
come in the infield. Ivan Olson, de-
spite his determination and his fight-
ing spirit, seems hooked for a new
berth, and the same might be said of
George Cutshaw, for George un-
doubtedly "cracked under the
strain" in the world's series.

Cutshaw's slip-up probably will
get attention if for no other reason
than its moral effect on the Dodgers.

The outfield is destined to have at
least one new performer. There are
many who do not consider Jimmy
Johnston of big league caliber and
he probably will surrender his job
to Hi Myers. There are several re-
cruits who are expected to have the
call over Johnston.

FAVOR STANDARD DRESS FOR WOMEN

BI-ENNIAL MEETING FAVORED

(By United Press.)
Indianapolis, Ind., Nov. 2.—The
resolutions committee of Indiana
Federation of Women's Clubs at the
annual meeting here recommended
the adoption of the plan to hold bi-
ennial meetings hereafter instead of
annual. They recommended the
president appoint a committee of
five to revise the constitution, pro-
viding for bi-ennial meetings and to
report at the 1917 meeting.

The committee also favored more
co-operation between women's clubs
and other organizations for a more
careful censorship of moving picture
shows.

Speakers at today's meeting ad-
vocated that women adopt a uniform
and standard system of dress such
as the men have and do away with
following the fashions.

TORPEDO STRUCK MARINA AMIDSHIPS

Survivors Describe How British
Steamer Was Sunk by German
Submarine Without Warning.

FIVE AMERICANS PERISHED

(By United Press.)
Cork, Ireland, Nov. 2.—Deposi-
tions from 15 American survivors
stating that the steamer Marina was
torpedoed without warning with a
probable loss of several American
lives were taken here by United
States Consul Frost and will be for-
warded to the state department at
Washington.

The Americans arrived here with
15 other survivors of the Marina's
crew. They reported five Americans
are missing and are believed to have
perished.

The Marina was attacked early
Saturday morning while enroute
from Liverpool to Cork.

A torpedo struck her amidship
and the starboard side. The explo-
sion blew a great hole in the steam-
er's side and seemed to lift her out
of the water, the survivors said. She
rolled over on one side as she set-
tled, but remained afloat twenty
minutes, battered by the waves until
her boilers exploded, splitting her in
two.

Any Flour Won't Do

I bake with Indiana Guarantee-Labeled Flour be-
cause it makes better bread and better cakes—and I

I use this flour because it is a home product and be-

made from soft winter wheat is easiest to handle
and gives the finest flavor to my baking.

I demand the "Know Your Flour" label because
without it I am never sure. It is my guarantee and
I know I can trust the flour that bears it.

Three strong reasons urge you to buy the Ford car: First, because
of its record of satisfactory service to more than fifteen hundred
thousand owners; Second, because of the reliability of the Company

trimmings, it is most attractive in appearance. To these must be
added its wonderful economy in operation and maintenance—about
two cents a mile; likewise the fact that by reason of its simplicity in

MAKES HEADWAY IN PURSUIT OF GERM

Dr. Maximilian Herzog Believes he Will be Successful in Fighting Infantile Paralysis.

IS WORKING IN CHICAGO

(By United Press.)
Chicago, Nov. 2.—Discovery of what may prove to be the germ of infantile paralysis was announced here by Dr. Maximilian Herzog. If the experiments are supported by

latter evidence, the conclusions of Dr. Flexner of the Rockefeller Institute will be upset. The work was done of Dr. Herzog as head of the research committee appointed by Dr. John Dill Robertson here and his investigation was carried on at the Cook county hospital largely.

With the newly discovered germ or coccus, Dr. Herzog has produced the disease in monkeys and rabbits. It is possible however that this germ is simply the carrier of a smaller one, which actually causes the disease.

MANILLA MAULS MOSCOW

Defeats High School Five by Decisive Score of 27 to 14.

Before one of the largest crowds that the Manilla gymnasium has known, the Moscow high school basketball team was defeated Tuesday night by the Manilla five by the decisive score of 27-14. The first half was close, ending with Manilla one point in the lead; in the second half however, Moscow failed to keep up the pace, losing 15 to 3. The work of Hutchens, Wicker and Heaton was especially good for Manilla while Harecourt starred for the visitors.

The score:
Manilla (27) Moscow (14)
Wicker Forward Harecourt
Heaton Forward Reber
Enos Center Gosnell, F.
Hutchens Guard Gosnell, P.
Phares Guard Piper.
Scoring: Field goals: Wicker 6, Heaton 6, Enos 1; Harecourt 3, Reber 1; foul goals: Enos 1; Harecourt 5, Reber 1. Referee, Fox; Umpire, Hillgoss.

WHAT IS THE ANSWER

William Randolph Hearst, owner of extensive lands in Mexico and long urgent for intervention in Mexico, at the eleventh hour of the campaign, announces his support of President Wilson.

What has happened to change him? What assurances has he received?

The executive heads of the Erie and Union Pacific railways, Wall street properties, announce their support of Wilson. Why? What assurances have they received?

The Democratic committee admits that up to Oct. 27, it had received campaign contributions of \$1,000, 283 and expects much more. It does not tell how much its affiliated bodies have received and expended, nor from what sources. Why?

The Prize Contributor.
(Indianapolis Star.)

The list of contributors to the Woodrow Wilson campaign fund this year again is headed by Cleveland H. Dodge with donations totaling \$79,000.

The Chicago Tribune, a few weeks ago, disclosed some interesting sidelights on Mr. Dodge's activities, which have not since been denied.

Mr. Dodge is vice president of Phelps, Dodge & Co., which has large interests in Mexico. One of its subsidiary concerns is a large arms and ammunition manufacturing company in the East. That concern was indicted in 1913 on charges of unlawfully shipping munitions into Mexico.

The United States attorney general for Arizona was instructed to quash the indictment. He refused and lost his job. The trial judge, W. C. Sawtelle, who had just been appointed by President Wilson on recommendation of the attorney for the Arizona subsidiary of the Phelps-

County News

New Salem

There are a number of cases of measles in this neighborhood.

Mr. and Mrs. Charles Wamsley and William Wamsley spent Sunday the guest of Mr. and Mrs. Naylor of Connersville.

Miss Katherine Hunt returned to her home at Indianapolis Monday after a week's visit with Mrs. Ethel Guise and May Weir.

Mr. and Mrs. Fred Maple have as their guests the latter's grandmother, Mrs. Ward and friend of Gowdy.

Mr. and Mrs. Chester Williams and children spent Sunday the guest of Mr. and Mrs. John Stone of Connersville.

Sumner.

Several attended Samuel Moore's sale, Thursday.

Mr. and Mrs. Andy Moore, of near Henderson, Mr. and Mrs. William Moore, of Carthage, Hiram Leonard, of Indianapolis, Mrs. Caroline and Mrs. Alice Macy, James Miller, and Mr. and Mrs. D. M. Pressnall and family were entertained for dinner, at Samuel Moore's Thursday.

The Rev. Mr. Callon, of Ohio, who will fill the vacancy caused by the death of the Rev. Mr. Fare, preached at the Homer Christian Union church, Sunday. He was entertained at the home of Mr. and Mrs. O. C. Macy.

Mrs. Emily Rigbee is very sick with stomach trouble.

The Rev. and Mrs. Jacob Hester visited Mr. and Mrs. John W. Zike, Tuesday.

The Rev. Mr. Powell has begun his revival services at the Henderson U. B. church, assisted by Harry Headlee, who conducts the singing. D. M. Pressnall had charge of the services Sunday morning and evening, in the absence of the Rev. Mr. Powell.

Samuel Moore expects to spend the winter in Oklahoma, in evangelistic work. He has rented his farm to Jack McDaniel.

In and Around Fairview

Mr. and Mrs. Wilbur Gibbs visited Mr. and Mrs. Hiram Shipley at Yanketown Wednesday.

The Reddington Construction Co., is getting along nicely with the county line road from Glenwood to Fairview. They commenced putting rock on the north half last Thursday.

Mrs. Frank Grossman entertained the members of her Sunday school class at dinner last Friday.

William Carson of Glenwood was in Fairview on business Saturday.

Mr. and Mrs. Raymond Bowles and daughter Vera and Mr. and Mrs. Horace Glidden and daughter Marcel of Mays called on Mr. and Mrs. John Brown last Sunday morning when they passed through Fairview while on their way to Oxford, Ohio.

Escape TOOTH Troubles

—by keeping your teeth REALLY CLEAN.

"But," you say, "I brush my teeth regularly, yet they decay."

Yes, you brush them, but do you REALLY CLEAN them? Tonight, after brushing your teeth, examine them closely. You will likely find an accumulation of tartar on the enamel and bits of food deposit hiding in the crevices.

Decay, as well as the dangerous gum disease called Pyorrhea, usually develops only in the mouth where germ-laden tartar is present.

SENRECO, the formula of a dental specialist, keeps the teeth REALLY CLEAN. It embodies specially prepared soluble granules unusually effective in cleaning away food deposits. Moreover, it is particularly destructive to the germ of Pyorrhea.

Go to your dealer today and get a tube of Senreco—keep your teeth REALLY CLEAN and protect yourself against Pyorrhea and decay. Send 4c to Senreco, 304 Walnut St., Cincinnati, Ohio, for liberal-sized trial package.

TOTAL OF \$9,000 TO BE AWARDED

Announcement is Made of Prizes by
Columbia University School
of Journalism.

NOMINATIONS BY FEB. 1, 1917

Provided Under Will of Late Joseph
Pulitzer, Founder of the
School.

(By United Press.)

New York, Nov. 2.—Prizes totaling \$9,000 and five traveling scholarships, each valued at \$1,500 will be awarded at the Columbia University commencement exercises 1917, for meritorious journalistic work, as provided for under the will of the late Joseph Pulitzer, founder of the Columbia School of Journalism. Announcement has just been made.

Candidates may obtain full information by applying to the Secretary of the University. Nominations must be made on forms provided and must be in before Feb. 1, 1917.

Five of the prizes are to be as follows:

(1) One thousand dollars for the best and most suggestive paper on the future development of the School of Journalism; (2) A gold medal, valued \$500, for the most disinterested and meritorious public service rendered by any American newspaper during the year.

(3) One thousand dollars for the best history of the services rendered to the public by the American press during the preceding year. (4) Five hundred dollars for the best editorial written during the year. (5) One thousand for the best example of reporters' work during the year.

Four other prizes are: One thousand dollars for the best American novel published during the year; one thousand dollars for an original American play, performed in New York; two thousand dollars for the best book on the history of the United States and one thousand dollars for the best biography of an American teaching patriotic and unselfish service, Washington and Lincoln excluded. Three of the traveling scholarships will go to the graduates of the School of Journalism to enable them to study European conditions and influences, a fourth to America's most talented student of music and the fifth to America's most promising art student to be selected by the National Academy of Design.

HIGHWAY OPENED.

Easton, Pa., Nov. 2.—Governors of Pennsylvania and New Jersey, Charles M. Schwab and other prominent men today formally opened the New York extension to the William Penn highway at a point midway between this city and Bethlehem.

COPELAND ACQUITTED.

Galveston, Texas, Nov. 2.—John Copeland, charged with the murder of William Black, anti-Catholic lecturer, was acquitted by a jury that had been deliberating since Saturday night.

"Goodnight Corns!" "We Use 'Gots-It'!"

3 Drops in 2 Seconds. That's All!
"GOTS-IT" Does the Best.
Never Fails.

"Really, I never could see how some fellows could use the old cut and painful way they can find to get rid of corns. They'll wrap their toes up with bandages into a package that fills their shoes full of dirt and makes corns so painful they'll go to the doctor."

to walk sideways and "wink" at their feet. Or they use salvers that cut right into the toe and make it raw and sore, or they'll use plaster that make the corns bulge, or pick and gouge at their corns and make them bleed. Funny, isn't it? "GOTS-IT" is the simple, modern wonder for corns. Just put 3 drops on. It dries instantly. No pain, fuss or trouble. The corn falls off and the foot is healed. Millions use nothing else.

"GOTS-IT" is sold and recommended by druggists everywhere. 25c a bottle, or sent on receipt of price, to E. Lawrence & Co., Chicago, Ill. Sold at Knoxville and recommended as the world's best corn remedy by Hargrove & Mullin.

Again for \$1—While They Last This \$2.50 Aluminum Cooker

The cost of Aluminum has doubled since we ordered these lifetime Cookers. At present prices, this offer would be impossible. So, in all probability, after our supply is exhausted, it cannot be made again.

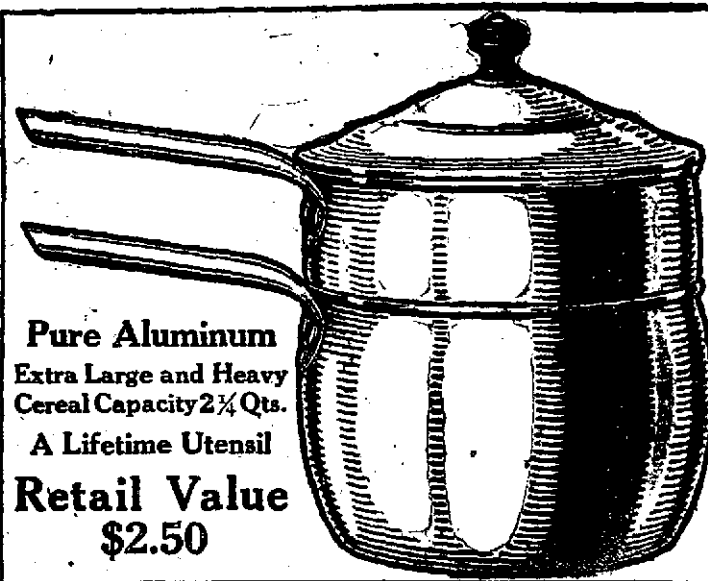

Next week the grocers of this city will once more feature this Quaker Cooker offer. And for the last time, we believe.

We have supplied Cookers now to over 1,000,000 homes. We have supplied \$2.50 Aluminum Cookers for \$1 to Quaker Oats users. But this offer ends with our present supply, and probably forever. Unless Aluminum drops 50 per cent, we cannot again offer a Cooker like this for \$1.

But next week only we make the offer below. You can get this Cooker for \$1, by buying two of our cereals which should be cooked in it.

This offer is made to induce better cooking. To bring you Quaker Oats and Pettijohn's cooked in perfect form, with the flavor kept intact. Our reward will come in your doubled delight in these foods. But we supply only one to each family.

Unless you have the right flakes, right cooking does not help much. But, if you use Quaker Oats and Pettijohn's, this cooker is yours for \$1. This is for one week only. Get the packages from any grocer named below.

One Week Only—Your Last Chance

Our Offer Is This: Purchase two packages of Quaker Oats and one package of Pettijohn's or three packages of either. Get a Sales Slip from your grocer showing the purchase. Send us check or money order for \$1 with the Sales Slip and we will mail the cooker by parcel post. We ask the Sales Slip just to show that you use our cereals. Sales Slips must be mailed next week. This offer applies in this vicinity only. Address:

Quaker Oats

The Extra-Delicious Vim-Food
Flaked from Queen Oats Only

All the world over, Quaker Oats holds first place among oat foods. Oat lovers of a hundred nations send us to get it. A billion dishes are consumed each year. Nowhere in the world do connoisseurs find any oat food to compare with it.

The reason is this: Quaker Oats is made from queen grains only—just the big, plump, luscious oats. No puny, starved grains are included. A bushel of the choicest oats yields only ten pounds of Quaker.

The result is a flavor which has won the world—a flavor which is matchless. Yet these large and luscious flakes cost you no extra price.

Nature stores in oats a wealth of vitality, which everybody needs. We want you to know this fascinating vim-food, made as we make it and cooked in our way.

Pettijohn's

Rolled Wheat with 25% Bran Flakes
A Modern Bran Dainty

Every doctor advises bran, as essential to right living. It is Nature's laxative. Everybody every day should eat it. It means better health, better spirits, sunnier days. Without it, our diet of fine food forces folks to drugs.

Pettijohn's is made to meet doctors' requirements. The bran is hidden in flavory flakes of wheat. The food is a morning dainty which everybody likes. Yet it contains 25 per cent tender bran.

The bran is in flake form, which makes it doubly efficient. Ground bran will not do.

Try Pettijohn's one week. Note its delightful effects. Never again will you go back to a branless diet.

Then try Pettijohn's Flour. It is 75 per cent fine patent flour mixed with 25 per cent bran flakes. Use it like Graham flour in any recipe.

ANNIVERSARY OF CHURCH OBSERVED

St. Paul's Chapel, New York, Celebrates One Hundredth and Fiftieth Birthday.

FAMOUS MEN ATTENDED

(By United Press.)

New York, Nov. 2.—The one hundredth and fiftieth anniversary of the founding of St. Paul's chapel Vesey street and Broadway, or Old St. Paul's as it is now generally known, is being observed today in the chapel with sermon by the Right Rev. Daniel S. Tuttle, presiding Bishop of the Episcopal church. George Washington, Alexander Hamilton and scores of others of the history makers of colonial days frequently attended service at St. Paul's. Part of one of Washington's inaugurals was held there.

Bishop Alfred Harding of Washington will preach tomorrow and the Right Rev. Charles S. Burch will close the anniversary celebration with a service Saturday.

RALEIGH SCHOOL ITEMS.

Opening exercises were given last Wednesday by Laverne Newkirk. A sketch of the life and work of several of the world's great singers was given. This was supplanted by several reproductions from them on the victrola.

The Senior English class finds quite a great deal of interest in their study of exposition. Oral composition is being emphasized with the aim of developing greater power in speech.

Evelyn Dora, a graduate of the New Salem high school, is reviewing the eighth grade work in preparation to teach school.

The teachers from this school attended the State Teachers' Association at Indianapolis this past week.

The seventh and eighth grades visited the high school during the special program given by Laverne Newkirk.

The Raleigh H. S. basket ball team played ball with the Millville five last Friday night. The game was one sided from the first, Raleigh scoring 51 and Millville 18. The Raleigh five had a good beginning. They have

several games scheduled but have a few open dates which are available if taken at once.

The Raleigh five plays with Arlington next Friday evening, on the Arlington grounds
